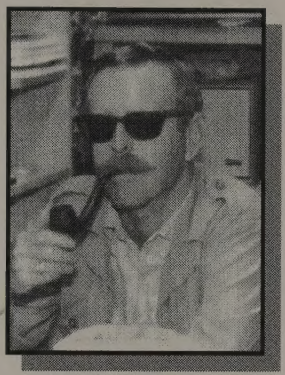
THE LIFE OF AN AMERICAN JEW In Israel

by Jack Bernstein
as told to Len Martin



I wish to thank Len Martin for taking my notes and oral descriptions and putting them together into book form. Without his dedicated efforts and encouragement, this book would not have been possible.

A CHALLENGE

To you, my Zionist brethren.

I fully expect the contents of this book to bring a strong reaction from the Zionist Jews.

I am well aware of the tactics you, my Zionist brethren, use to quiet anyone who attempts to expose any of your subversive acts.

If the person is a Gentile, you cry, "anti-Semite" which is nothing more than a smoke-screen to hide your actions.

But, if it is a Jew who is the person doing the exposing, you resort to these other tactics:

- First, you ignore the charges, hoping the information will not be given widespread distribution.
- But, if the information starts reaching too many people, then you ridicule the information AND the person or persons giving the information.
- If that doesn't work, then your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal, then you are adept at fabricating scandal against the person or persons.
- If none of these are effective, then you are known to resort to physical attacks.*

But NEVER do you try to prove the information wrong!

So, before you start your efforts to quiet me, I offer the following challenge to you, my Zionist brethren.

* *Mr.Bernstein died a suspicious, albeit perhaps, predictable death.*

ASSEMBLE A NUMBER OF ZIONIST JEWS AND WITNESSES TO SUPPORT YOUR POSITION OF ZIONISM; AND I WILL ASSEMBLE A LIKE NUMBER OF ANTI-ZIONIST, PRO-AMERICAN JEWS AND WITNESSES.

THEN, YOU ZIONISTS AND WE ANTI-ZIONISTS, WILL STATE OUR POSITIONS AND DEBATE THE MATERIAL IN THIS BOOK, AS WELL AS RELATED MATERIALS.

THE DEBATE WILL BE HELD LIVE ON PUBLIC TELEVISION.

LET'S EXPLORE THE INFORMATION AND LET THE AMERICAN PEOPLE DECIDE FOR THEMSELVES IF THE INFORMATION IS TRUE OR FALSE.

Isn't that a fair challenge?

Certainly, you will most willingly accept the Challenge if what I have written is false.

But, if you resort to crying, "Lies, all lies!" and refuse to openly debate the material, you will, in effect, be telling the American people that what I have written are, indeed, the true facts.

Jack Bernstein

Note: This challenge was issued in 1984 and has never been accepted. THE CHALLENGE STILL STANDS, and many true Jews, and Gentiles, are willing to stand in stead for the now deceased Mr. Bernstein should the Challenge ever be accepted.

The Life of An AMERICAN JEW in ISRAEL

by Jack Bernstein
as told to Len Martin

ORIGINAL 1984 TEXT

The original title of this book was
"The Life of an American Jew in Racist/Marxist Israel"

I AM AN ASHKENAZI JEW

Before Israel became a state in 1948, Jews world wide were filled with Zionist propaganda that Israel would be a homeland for all Jews - a refuge for persecuted Jews, a democratic country and the fulfillment of Biblical prophecy.

I am an Ashkenazi Jew who spent the first 25 years of my life in the United States - the country that has given ALL Jews freedom and the opportunity to prosper. And prosper we Jews did, to the point that one portion of the Jews (the Zionists) have gained a position of political and economic dominance in the U.S. today.

To fully understand the story I am about to tell, it is important that you understand what Zionism really is.

ZIONISM and JUDAISM

Zionist propaganda has led the American people to believe that Zionism and Judaism are one and the same, and that they are religious in nature. THIS IS A BLATANT LIE!

Judaism is a religion, but Zionism is a political movement started mainly by East European (Ashkenazi)Jews who, for centuries, have been the main force behind communism and socialism. The ultimate goal of the Zionist is a One World Government under the control of the Zionists, and the Zionist oriented, Jewish International Bankers. Communism and socialism are merely tools to help them accomplish their goal.

I WAS A VICTIM OF ZIONIST PROPAGANDA

After the 1967 War, we Jews were filled with pride that our "homeland" had become so powerful and successful. Then too, we had been filled with the false propaganda that Jews in America were being persecuted. So, between 1967 and 1970, approximately 50,000 American Jews fell for this Zionist propaganda and migrated to Israel. I was one of those suckers.

After being filled with all this false Zionist propaganda, I felt that I would have a better chance to succeed in the new Jewish State. There was an added enticement - the spirit and challenge of pioneering, and of helping my fellow Jews.

DUAL CITIZENSHIP

I had no emotional conflict with leaving the U.S. because I was still able to keep my U.S. citizenship and I could return to the U.S. at any time.

You see, Jews are allowed to be citizens of both Israel and some other countries. The U.S. is one of those countries. The U.S. government allows a Jew to be a citizen of both the U.S. AND Israel.

HOWEVER, German Americans cannot be citizens of both the U.S. and Germany. Italian Americans cannot be citizens of both the U.S. and Italy. Egyptian Americans cannot be citizens of both the U.S. and Egypt. BUT, a Jewish American CAN be a citizen of both Israel and the U.S.! This is a good example of the power that the Zionist Jews have over the U.S. government.

I ARRIVE IN THE "JEWISH PARADISE"

Before leaving for Israel, a Jewish friend of mine had made arrangements for me to stay a few days with her sister, Fawzia Dabout, and her spinster aunt.

After arriving at Lod Airport, just outside of Tel Aviv, I took a bus to the home of Miss Daboul and her aunt. When I saw Fawzia, it was love at first sight! I started calling her "Ziva" - her Hebrew name.

Ziva is a Sephardic Jewess from Iraq who, like myself, had fallen for the Zionist propaganda and had migrated to Israel. She was employed as a hairdresser.

THE KIBBUTZ

After visiting with Ziva and her aunt for two days, I left to spend six months at kibbutz "Ein Hashofet" - one of the well over 150 such communes then operating in Israel. Since then, many more have been started, especially in the territory taken from the Palestinian Arabs. A kibbutz is a farming and sometimes industrial, venture.

It is important to explain that Israel's kibbutz system is a Marxist idea brought to Israel by the Ashkenazi Jews who migrated to Israel mainly from Poland and Russia. These Jews are part of the bunch of Jews known as the "Bolsheviks."

Before 1917, they were the force that laid the foundation for the Bolshevik Revolution of 1917 in Russia, and the start of communism. (Russia is now known as the Union of Soviet Socialist Republics)*

* *See the 1925 Official Report of the U.S. Army Intelligence regarding the role of Jewish/Zionist financial interests in Bolshevism P.61*

Again, I want to point out, even EMPHASIZE, that it is some of that same bunch of Ashkenazi, communist, socialist Jews who are the Bolsheviks. They migrated to Israel, gained control of the Zionist movement, and have dominated the government of Israel since its beginning in 1948.

Now, back to the kibbutz.

Prior to 1967, most of the work on the kibbutzim was done by Jews. But, since the 1967 War, the work has been done by Arabs who are paid a very low wage, and by volunteers from overseas.

Members of the kibbutz (which includes all Jews)share all things equally. They receive clothing, food, and a small allowance. All profits from the venture go into the kibbutz account for future use.

Each of these kibbutz' are affiliated with one of Israel's Marxist parties, ranging from Socialists to hardcore Communists.

The kibbutz I was in was not hardcore communist. Yet, I was happy to leave after four months - two months earlier than originally planned.

During the time I was working on the kibbutz, I carried on a courtship with Ziva. She was one of the reasons I left the kibbutz after only four months - we were to be married.

OUR MARRIAGE CREATED PROBLEMS

The marriage ceremony was held in the Sephardic Synagogue. The ceremony was simple, but beautiful. Ziva and I were so very happy, but our

marriage created serious problems.

You see, Ziva is a Sephardic Jewess, and I am an Ashkenazi Jew. For an Ashkenazi Jew to marry a Sephardic Jew, is frowned upon in Israel by the ruling Ashkenazim. To understand why this is the case, you must realize the difference between the Sephardic and Ashkenazi Jews.

The powerful Zionist propaganda machine has led the American people to believe that a Jew is a Jew - one race of people, and that they are "God's Chosen people." I will deal with the "God's Chosen People" lie later. First, it is important for you to understand that Jews are NOT one race of people!

There are two distinct groups of Jews in the world, and they come from two different areas of the world. The Sephardic Jews come from the Middle East and North Africa (*Semitic*) and the Ashkenazi Jews (*Anglo*) come from Eastern Europe.

The Sephardic is the oldest group and it is they, if any, who are the Jews described in the Bible, because they lived in the area described in the Bible. They are blood relatives to the Arabs (*Semites*), the only difference between them is religion.

The Ashkenazi Jews, who now comprise 90% of the Jews in the world, had a rather strange beginning. According to historians, (many of them Jewish), the Ashkenazi Jews came into existence about 1,200 years ago. It happened this way.

At the eastern edge of Europe, (*today Germany & northern France-once "Gaul"*), there lived tribes of people known as the Khazars.*

* *The entire Khazar Empire covered what is today most of the Orient & what was once the U.S.S.R. "Ashkenaz" is ancient Yiddish Germanic for the specific area known today as "Germany"*

About the year 740 A.D., a Khazar king and his court decided that they should adopt a religion for their people. So, representatives of the three major religions, Christianity, Islam, and Judaism, were invited to present their religious doctrines. The Khazar king chose Judaism, but it wasn't for religious reasons.

If they had chosen Islam, they would have angered the strong Christian world.* If they had chosen Christianity, they would have angered the strong Islamic world. So, they played it safe, and they chose Judaism. It wasn't for religious reasons they chose Judaism, it was for political reasons.

Sometime during the 13th century, these Khazar people were driven from their land and they migrated westward with most of them settling in Poland and Russia of today. These Khazars are now known as Ashkenazi Jews. Because these Khazar (Ashkenazi) Jews merely chose Judaism, they are not really Jews, al least not blood Jews.

Throughout their history, these Polish and Russian Ashkenazi Jews practiced communism and socialism, and worked to have their ideas implemented in these countries. By the late 1800's, significant numbers of these communist and socialist Jews were found in Germany, the Balkans, and eventually all over Europe.

Because of their interference in the social and governmental affairs of Russia, they became the target of persecution by the Czars. Because of this, migration of these communist and socialist oriented Jews began. Some went to Palestine, some went to Central and South America, and a large number of them came to the United States.

* *At that time, primarily Catholic*

POLITICAL ZIONISM IS BORN

In 1897, the First Zionist Congress was held in Basle, Switzerland. At this Congress, it was decided to work toward the establishment of a Jewish State, and a search for land on which to build this Jewish State began.

Great Britain offered the Zionists land in Africa. This the Zionists rejected. They wanted Palestine!

At the time, Palestine was peacefully inhabited by a half a million Palestinian Arabs and a few Palestinian Jews. The Arabs and Jews are blood related and had lived together in peace for centuries.

With Palestine as their choice for a homeland, European Ashkenazi Jews began migrating to Palestine. As I explained earlier, most were communist/socialist oriented with some of them being radical Bolshevik communists whose aim is world domination.

So when you think of Jews, especially as related to Israel, keep in mind that there is a great difference between Sephardic and Ashkenazi Jews. They are NOT one united people. They are divided socially, politically, and especially racially.

Now, back to Ziva - who is a Sephardic Jewess, and I am an Ashkenazi Jew, and our lives in the so-called democratic country of Israel.

SEPHARDIC JEWS - SECOND CLASS CITIZENS

For the first three years of our marriage, it

was necessary for us to live with Ziva's aunt. This was because of the critical housing shortage in Israel, AND because of racism.

Housing is allotted as follows:

- Ashkenazi Jews who have lived in Israel for many years are given first choice.
- Second in line are Ashkenazi Jews from Europe - especially if they are married, or marry, an Israeli born Ashkenazi Jew.
- The next favored are Ashkenazi Jews from the U.S. - especially if they marry an Israeli born Ashkenazi.
- Sephardic Jews have the next choice of whatever housing is left.
- At the bottom of the list are Moslems, Druze, and Christians.

Opportunities for employment follow the same pattern. Ashkenazi Jews get the choicest jobs, Sephardic Jews next, and Moslem, Druze and Christians fill the menial jobs, with a great many left unemployed.

Even though I was an Ashkenazi Jew from the U.S., I was placed lower on the list for housing because I had married a Sephardic Jewess.

Being denied housing was my second experience of the intense racism that exists in Israel. From the very beginning of my arrival in Israel, many slurs were yelled at me. We American Jews were merely being tolerated.

ISRAEL DEPENDENT ON AMERICAN MONEY

Because Israel, to survive, must depend on

gifts of American taxpayer's money, donations from American Jews, and the sale of worthless Israeli bonds in America, there is jealousy among the elite Israeli Ashkenazi Jews toward American Jews - even if the American Jews are also Ashkenazi. Many times I was told, "Go home! We want your money, but not you!"

ISRAEL AND COMMUNISM

Of the 50,000 American Jews who, like myself, had migrated to Israel between 1967 and 1970, about 20% (10,000) of them were Marxist oriented, with a great number of them actually "card carrying" communists.

They were welcomed by the Israeli authorities and local Ashkenazim, and were given favored treatment - housing, jobs, and social life. It must be noted that besides coming from the U.S., a great number of communist Jews were migrating to Israel from Chile, Argentina, and South Africa.

Of the 50,000 who had migrated to Israel during that time, 80% of us eventually returned to the U.S.. The 20% who remained were those who were card carrying communist, or sympathetic to Marxism.

THE THREE FACES OF ISRAEL

From what I have told you so far, you must have the idea that Israel is a Marxist/Socialist/Communist country. This would be correct. But, Israel actually has three faces: 1. Communism 2. Fascism 3. Democracy.

The Ashkenazi Jews who migrated to Israel from Russia, brought with them the ideology of

socialism and communism, and have put into practice much of that ideology.

The Ashkenazi Jews who migrated to Israel from Germany, while sympathetic to communism, and they do support it, they also tend to favor the practices of Nazi style fascism.

During World War II, these elite Zionist Ashkenazi Jews in Germany, worked closely with Hitler's Gestapo in persecuting the lower class German Jews, and in delivering them to the concentration camps.

Now that these elite Zionist Jews are living in Israel, having been well trained in Nazi style fascism and favoring it, they have imposed many facets of fascism on Israel.

To give the impression that Israel is a democracy, members of the Knesset (Israel's Congress) are "elected" - but an odd type of election.

This is where Israel's so-called democracy stops. It doesn't make any difference which party wins an election, the "LIKUD" or the "Labor Party", the elite Zionist Jews rule in a dictatorial manner - giving favors to the elite clique, while brutally suppressing any dissent.

INDOCTRINATION OF ZIONIST YOUTH*

In the Zionist/communist scheme of world domination, it is Israel's role to continually stir up trouble in the Mideast. Since wars are a big part of this scheme of aggression, it is only natural that, from early childhood on, Israeli youth are trained mentally, and physically, for war.

* *"Defamation" is an excellent, revealing documentary by young Israeli filmmaker Yoav Shamir*

For instance, Israel has its equivalent of Hitler's youth group. It is the "Gadna," and ALL high school and junior high students are required to participate - boys AND girls. Like Hitler's youth group, the youth in Israel's Gadna are dressed in khaki uniforms. They take training, and engage in para-military exercises.

Even at play, guns and thoughts of war are present. When on a picnic, instead of taking along baseball or soccer equipment, they take sub-machine guns or assault rifles, and they practice shooting and playing military games.

Once graduated from high school, all young boys are required to serve three years in the army, two years for girls, or four years in the navy or air force, three for girls. Ultra-orthodox religious Jews are exempt from military service.

Once out of the service, a number of the ex-service people join the "Shin Bet," which is the equivalent of Hitler's Gestapo. Like the Gestapo, they engage in repressing anyone who acts or speaks out against the Marxist/Fascist government of Zionist dominated Israel.

ISRAEL IS A POLICE STATE

Like in Nazi Germany, all people in Israel are required to carry identity booklets called "Teudat Zehut" in Hebrew.

One day, I changed jackets and forgot to take out my ID booklet when I went down town in Tel Aviv. A police officer approached me and asked for my Teudat Zehut. I told him I had left it in my other jacket. Because I didn't have my

ID booklet with me, I was taken to the police station.

At the police station, the desk sergeant informed me that for not having my ID booklet with me, I could be jailed for up to 16 days, without even being taken before a judge. All that was necessary is for the police Lieutenant to sign a "Remand Order."

I asked permission to make a telephone call to my wife to tell her to bring my ID booklet to the station. The sergeant allowed me two hours to have my Teudat Zehut produced. I called my wife and she brought it, arriving just minutes before the two hour deadline expired. If she had been late in arriving, I would have been jailed for 16 days for not having my ID booklet with me!

This is just one example that Israel is a Police State and NOT a democracy.

NAZIS

Concerning Nazism/Fascism, please let me clear a point. GERMANS ARE AN ADMIRABLE GROUP OF PEOPLE - I dare even say GREAT. But in Germany, the general population were victims of the Nazis, who through cunning and brutality, gained power.

In Germany, the average Jews were victims of the Zionist elite who worked hand-in-hand with the Nazis.* Many of those same Zionist Jews who, in Germany, had worked with the Nazis, came to Israel, and joined hands with the Zionist/Communist Jews from Poland and Russia. It is these two faces of communism and Nazi style fascism, that rule Israel. Democracy is

* *See P.107 of Samuel Untermeyers "Call to Action"*

merely an illusion.

Regarding the tie between the elite Ashkenazi Jews and the Nazis, take a good look at the word "Ashkenazi" - look again "Ashkenazi!"* Interesting isn't it?

NOTE: There is great confusion regarding the relationship of fascism to communism.

Fascism is *national* socialism.

Communism is *international* socialism

ISRAEL'S ECONOMY

Economically, Israel is bankrupt.

Of course, this could have been predicted, because Israel's economic structure is based on socialism. Whenever a government of a state and its citizens spend more money than the value of the goods produced, economic bankruptcy will result.

If it were not for financial aid from America, Israel's economy would have collapsed long ago. Israel is a "welfare state" in every sense of the word - and it is America's most favored welfare recipient.

While America's farmers, small businessmen, and laborers are struggling to survive, the U.S. government, dominated by Zionist Jews, is draining the pockets and purses of American taxpayers to support Israel's socialist economy and war machine.

Since the Israeli government knows, and the favored Zionists know, that the Zionist

* *The suffix "nazi" is an ancient Yiddish/Germanic term meaning a "dominant social group" - it was first used derogatorily by German anti-semites against the German National Socialist Party*

pressure in America will ensure that America will keep sending them massive amounts of money, the Israeli government and its favored citizens, spend money like drunken sailors. This practice leads to inflation and eventually to an economic collapse.

Comparing Israel to drunken sailors is unfair to sailors. Sailors spend their own money - Israel spends money it gets from America.

Because Israel is a welfare state, depending mainly on American aid for survival, it is on a down hill slide. In 1980, Israel's inflation rate was 130%. In 1982, it was 200%, and this year of 1984, it is expected to exceed 400%!

That means that a hamburger that cost $1.00 last January, will have risen to $5.00 by the end of December. History shows that no nation, mired in economic problems as Israel has become, has ever avoided an economic collapse.

Only with a massive increase in American financial aid, can an economic collapse be averted, and even then, this solution would only be temporary.

Regarding the destructive tendencies of socialism, there are circumstances that allow a country to successfully provide social programs to help its people. It might be possible, IF a country has sufficient financial resources, and where its citizens are deeply religious, and considerate of their fellowmen. But none of this exists in Israel.

Even in countries where conditions are ideal, there lingers a danger. Since the government

of the country provides for the needs of its citizens, most of these citizens have a tendency to lose incentive to work hard; and a country with a complacent citizenry is easily conquered.

VISITORS TO ISRAEL

Tourism is one of Israel's main sources of income. The largest group of visitors are American Jews. But there are also many American Christians who want to visit the holy shrines, and to see the land of "God's Chosen People." These Christians come away very impressed and filled with religious fervor.

While in Israel, Jews and Gentiles alike are carefully watched, so that they do not stray and happen to see the sordid side of Israel - the true Israel.

Like in Soviet Russia and other communist countries, visitors to Israel are taken on carefully planned guided tours. They are shown the religious sites, the universities, the lush orchards, the technical accomplishments, and the arts. And to stir sympathy, they are taken to visit the "Holocaust Museum."

But, kept from the eyes of the tourists, are the ghettos, the prisons where political prisoners, mostly Arabs and Sephardic Jews, are subjected to the most inhumane forms of torture. The tourists do not see the widespread crime activities and the corruption and cooperation between organized crime bosses, and government, and police officials. The tourists do not learn of the true inner workings of Israel's Marxist/Fascist government; nor do

they see Israel's racism.

I met one American tourist who couldn't help telling me about the wonderful religious feeling she had from just being in Israel - the Holy Land. I remarked to her, "Just try giving a Bible to a local Jew and you will see how much religion and religious freedom there is in Israel. If you are seen by the police, you will be arrested!"

THE HOLOCAUST MUSEUM

The "Holocaust" might not have happened IF …

- If the Zionist leadership in Germany had not cooperated with the Nazis.
- If the Zionists world wide, had not persuaded various countries to refuse to accept Jews from Germany. The Zionists in America, persuaded President Roosevelt to shut the door, and not allow Jewish refugees into America before the war, when there was still a chance for Jews to leave Germany.
- It must be added that many people, including Jews, question whether the Holocaust happened as portrayed by the Zionist propagandists - at least, perhaps, not to the extent the Zionists claim.* [see p.105]

RELIGION

The land on which the present state of Israel has been built(formerly Palestine), was once walked upon by Moses, Jesus, and Mohammed.

Since Palestine was the site of many religious events, and has many religious sites, it is rightfully referred to as the "Holy Land." So

* *It has been reported that there were 6,000,000 Jews killed during this time. Statistically, most scholars today agree that there were over 13,000,000 total "undesirables" persecuted and exterminated by the Nazis during the Holocaust, beginning with gun owners, political dissidents, most Christians, the infirmed, and ultimately the Jews after Samuel Untermeyer's "Call to Action."*

one would think that Palestine, now Israel, would tend to have an air of holiness about it.

When Palestinian Moslems and Palestinian Jews, occupied Palestine together, there was a religious aura. But, since the Zionists took over the area and set up the State of Israel, it is one of the most sinful nations in the world, and where only about 5% of the Jews are religious.

It is interesting to note that those who are strongly religious are the Arab Moslems and Arab Christians, who make up only a small minority in Israel.

Israeli laws suppress ALL religion. For instance, it is against the law to try to convert a Jew to another religion, even if the Jew is an atheist or humanist.

A Christian is permitted to preach the gospel in a church building, but for the clergy or anyone to even tell anyone about teachings in the Bible while outside the church building, it will bring a 5 year prison sentence!

This same law of religious suppression also applies to those of the Islamic faith who, in an act of kindness, give a gift of any kind to a Jew. A 5 year prison sentence can result.

The treatment of religious Jews is touchy for the ruling Zionists. World wide, Jews and non-Jews view Israel as a land where Jews may practice their religion without persecution. Therefore, the Zionists do not dare risk suppressing Judaism for fear of arousing world opinion against them. So, the ruling Zionists merely tolerate the religious practices of the small minority of religious Jews in Israel.

GOD'S CHOSEN PEOPLE

The American people have been led to believe that all Jews are "God's Chosen People." This myth was started by a small group of Jews. A few Jewish leaders took excerpts from the Bible, and interpreted them to mean that God had designated them as His "Chosen People." But, isn't it odd, that it is NOT the religious Jews who claim to be "God's Chosen People" - it is the atheistic, non-believing Jews who claim that honor.

Leading the cry, "We are God's Chosen People!" are the Zionist/Marxist (Ashkenazi) Jews who, for political purposes, chose Judaism, and who don't have a drop of Biblical Jewish blood in them.

One Israeli religious Jew said it well, "At one time, we Jews were chosen by God to be his messengers. But, long ago we forfeited that right."*

Anyone who has read the Bible with an open mind, knows that God gave the Jews of that time, special favors. But it was in the form of covenants. In these covenants, were conditions. The conditions were that God demanded that the Jews obey His word. Time after time, though, the Jews broke the covenants. They rejected God and turned to adoring mammon. It doesn't take a Biblical scholar to realize that long ago, even the real Jews lost the right of being God's Chosen People.

In comparing the degree to which the followers of the three major religions practice their beliefs, I make this personal observation.

* *Yisroel Dovid Weiss, Haredi Rabbi and spokesman for "Neturei Karta" - anti-Zionists of Israel "Jews United Against Zionism" at* ***www.nkusa.org***

- Judaism Few Jews, Sephardic or Ashkenazi, are religious. This is true in America, in Israel, and world wide.
- Christianity The Christian religion has felt the influence of Jewish meddling and infiltration, especially in America, resulting in confusion and bickering between the various Christian denominations. This has led to a "luke warm" attitude *(the Church of Laodocia)* among most Christians toward their religion. There is evidence to prove that Zionist Jews, or one of their many fronts, have started many of the Christian denominations, and thus dominated doctrine.
- Islam Moslems, who follow the teachings of Mohammed, are by far the most fervent of the three major religions in following their religious beliefs.

The Judeo-Christian ethic we hear so much about in America, is a big joke - the result of an intense Zionist propaganda campaign.

I'll toss in one last thought about the "God's Chosen People" myth. God said, "Beware of those who call themselves Jews, but are not, for they lie."*(and are a synagogue of Satan)* *

Could it be that the Ashkenazi Jews are the people to whom God was referring?

ISRAEL STIRS PERPETUAL WAR

In the Holy Land, it would seem that there should be peace. Instead, war and preparation for war, is ever present.

The Israeli military machine is recognized as the fourth most powerful in the world. From the standpoint of the amount of planes, tanks,

* *Revelation 2:9*

and other fighting equipment, plus the fact that they are of the latest design, it does make the military machine of Israel very powerful. But, in the army, serious weaknesses have developed.

Before exploring the weaknesses of Israel's army, let's briefly review each of the wars in which Israel has been involved - an average of one every 8 years since it became a state in 1948.

The 1948 War Just after Israel had declared itself a State, Palestinians and other Arabs, attacked the Israeli Army which had been formed out of the terrorist groups - the "Irgun" and the "Stern Gang."

The reason for the attack by the Palestinians was to try and regain their homes which, through murder and terrorism, the Zionists had confiscated. The Palestinians had been a peaceful people until then, and they were not trained in the art of warfare. But the Ashkenazi/Zionist Jews who had migrated from Soviet Russia, Poland, and Germany, had much more knowledge of tactical warfare.

In addition, Zionists had built up a large amount of arms which they had purchased from the U.S. and communist countries, and had illegally smuggled into the area. The Arabs were defeated, and in the process, Israel conquered more Palestinian territory.

The 1956 War Egypt owned the land through which the Suez Canal flows. Egypt's President Nasser declared his intention of taking over operation of the canal from England. This would have hurt England's colonial empire.

So England, along with France and Israel, conspired to attack Egypt.

With Egypt nearly subdued, America's President Eisenhower stepped in and ordered England, France, and Israel to withdraw. At that time, the United States was still militarily strong enough to back up Eisenhower's order, so they did withdraw. This was the only time during U.S.-Israeli relations that a U.S. president put the interests of America ahead of Israel's interests.

The 1967 War Tension was mounting between Egypt and Israel over territory located between the two countries - the Sinai and Gaza Strips.

To help Israel get an unfair advantage, the Soviet Union resorted to trickery. Soviet diplomats in Egypt told President Nasser to threaten war, but to NOT attack. Then, Soviet diplomats told Israel's leaders to threaten war, and GO AHEAD and attack! This act of treachery enabled Israel to attack while Egypt was off-guard, and to destroy Egypt's military capacity in just six days!

It has been the goal of Israel's leaders to take over ALL the land between the Nile and Euphrates rivers. Besides the Sinai and Gaza Strips which Israel intended to take from Egypt during the war, they desired the "West Bank" - which was part of Jordan, AND the "Golan Heights" - which was part of Syria. So, during the 1967 War, Israel resorted to trickery.

Israel had the technical equipment to intercept radio messages and change these messages ("boil them") and then send them on to their destination. During the war, Israel intercepted

messages from Egypt to Jordan and Syria, and changed the messages - tricking Jordan and Syria into entering the war.

The Arab countries were defeated, and Israel took a big step toward its goal of conquest, by occupying the Golan Heights and West Bank, as well as the Sinai and Gaza Strips.

Even though Israel's attack on Egypt is called the 1967 War, and is often referred to as the Six Day War - it can hardly be called a war. Egypt, the most powerful Arab nation at that time, didn't have a chance to fight. Trickery on the part of the Soviet Union and Israel, as I have explained, rendered the so-called 1967 War nothing more than a treacherous act of terrorism, for which the Soviets and Israel are both famous.

ISRAEL'S ATTACK ON THE U.S.S. LIBERTY*

During the 1967 War, one of the most daring acts of treachery was committed. It was the attack on an American ship - the "U.S.S. Liberty" by America's so-called friend, Israel.

During Israel's treacherous attack on Egypt, the U.S.S. Liberty, an American surveillance ship, was cruising off the coast of Israel and monitoring the progress of the attack.

Realizing the "Liberty" was learning and recording Israel's acts of treachery, Israeli leaders decided to "get rid of the evidence." Israeli planes and torpedo boats attacked the Liberty with the obvious intent of sinking it. If the ship was sunk, thus destroying the evidence, then Israel could blame Egypt for the attack. Then the Zionist controlled

* *The Survivors of the USS Liberty have a website where their ongoing legal battles with the U.S. government can be viewed and the Truth told.* **USSLiberty.org/report.htm**

news media in America, would have given the lie as a FACT, with the intent of turning the American people against Egypt. But, …

Fortunately, bravery on the part of the Liberty crew kept the ship afloat. Israel failed in its act of treachery against America, its own ally! But during the attack, Israel killed 34 American crew members of the Liberty and wounded 171!

Israel claimed the attack on the Liberty was a case of mistaken identity. But, reports by the surviving crew, and other evidence, PROVE the attack by Israel WAS intentional.

Facts about the attack on the Liberty were conveniently omitted by the Zionist controlled American news media. All that the Zionists told the American people was that Israel had sunk an American ship, but that it was a case of mistaken identity.

An investigation by the U.S. government was subdued, and the matter quickly forgotten. This is another good example of the tremendous influence the Zionists have over the U.S. government.

The cover-up of the whole scandalous affair by the U.S. government could not have succeeded if the news media had done its duty and reported the facts surrounding the attack. It is a good example of the power of the Zionist controlled news media in America, to distort or withhold, important news from the American people.

The 1973 War The treachery on the part of Israel and the Soviets that led to the 1967 War, greatly embittered the Arab people, and

immediately they began arming with the intent of retaliating for this Israeli treachery, and to try and take back the land that Israel had taken from them. By 1973, they were prepared.

Even though several Arab countries were preparing militarily, they were trying to peacefully work out a solution with Israel. But Israel was assured that their Zionist brethren in America, would use their power over the U.S. government to make sure that the U.S. would support Israel. So, Israel's leaders continued to maintain a belligerent attitude.

Realizing the hopelessness of further negotiations with Israel's leaders, Egypt, along with Jordan, Syria, and Iraq, attacked Israel - and they were winning.

With Israel facing defeat, the powerful Zionists in America pulled the strings of their power over the U.S. government, and the U.S. government officials "obeyed" their Zionist masters.

Massive amounts of U.S. military equipment and arms were airlifted at taxpayers expense, to Israel in order to bolster the retreating Israeli forces.

This U.S. assistance enabled Israel to turn the tide and emerge victorious. Yes, Israel was saved, but so much U.S. military equipment was airlifted to Israel at that time, that the U.S. armed forces were left in short supply - and in a weakened position.

U.S. government officials are so much under the influence of the Zionists, that they had alerted the 82nd Airborne Division stationed

at Ft. Bragg, N.C., and U.S. troops were also, stationed in Germany for the purpose of being sent to aid Israel, if necessary.

It is pretty sad that to please the Zionist power in America, U.S. government officials are willing to sacrifice the lives of American boys (and girls) to save Zionist/Marxist Israel.

Young men already in the U.S. armed forces, and their parents, grandparents, brothers and sisters, should be especially concerned about Israeli precipitated wars, and attempts to involve the U.S. in these wars. Because, if necessary, to save Israel in one of their acts of aggression, the U.S. government will bow to the American Zionists, and send American citizens into combat. They will have no choice but to fight on the side of Zionist/Marxist Israel.

If American boys and girls die in a future Mideast war, you will know that those responsible will be the Zionist Jews in America, and the weak spined politicians in Washington, D.C. who bow to their Zionist lords!

THE NEW YORK/MOSCOW/TEL AVIV TRIANGLE

At this point, you may be confused. Israel and the Soviets are ideological allies. Both follow the ideas of Karl Marx, so both are communist/socialist. Yet the Soviets supplied military equipment to the Arabs - Israel's enemies. And at the same time, the Soviet Union's enemy, the United States, was arming Israel!

To understand the treachery of which Zionist/Bolshevik Jews are capable, and to understand the treachery which took place before and during the 1973 War, I must explain the New York/

Moscow/Tel Aviv Triangle. And to do so, it is necessary to go back a few years in history.

A heavy migration of Jews from Russia to America started in 1931. Most of these were Communist Jews. So many of these communist/ Bolshevik Jews settled in New York City, that New York has been referred to as "Moscow on the Hudson."

It has been pointed out, and with good reason, that decisions regarding communist policies come not from Moscow, but from New York City. Whether this is a fact or not, is immaterial. What IS important, is the fact that there is a very close tie between the Zionist/Bolshevik Jews in New York City, and the Zionist/ Bolshevik Jews in Moscow; and extending that to include the Zionist/Bolshevik Jews who dominate Israel's government.

The Zionist power over the U.S. government in Washington, D. C. stems from the Zionist/ Bolsheviks centered in New York City. It is from New York that orders go out to the vast Zionist network all over the U.S.. It is this network that influences the economic and political affairs of not only our Federal government, but nearly all, if not all, State governments. And to a great extent, the governments of the larger and even medium sized cities, as well. This power of the Zionist/ Bolshevik Jews over the U.S., makes the New York leg of the New York/Moscow/Tel Aviv Triangle a tremendous influence over communist policies.

In viewing the 1973 War, most people, and it seems most Arabs also, are of the impression that since Soviet Russia sold equipment

to Egypt, and other Arab countries, the Soviets were in support of the Arabs in the 1973 War. This is a false impression.

To understand that this is the result of more deceit on the part of Israel and the Soviet Union, you must be aware of the "Golda Meir - Stalin/Kaganovich Pact."

Golda Meir had been born in Russia, grew up in Milwaukee, Wisconsin, and in 1921 migrated to Israel. In 1949, Golda Meir became Israel's first ambassador to the Soviet Union.

Representing Israel, Ambassador Golda Meir, a Bolshevik Jewess, met with two representatives of the Soviet Union - 1. Kaganovich, a Bolshevik Jew and 2. Stalin, who had married a Bolshevik Jewess. They made a secret agreement - a pact.

ISRAEL'S PART OF THE PACT WAS:

- Israel would NOT allow any Western country, especially the U.S., to build military bases on Israeli territory.
- Israel WOULD allow an official Communist Party to function freely in Israel.
- Israel would NOT make any agreement to solve the Palestinian problem.
- Israel WOULD influence world Jewry, especially in the U.S., to have Western powers adopt a policy of favoring Israel over the Arabs.
- Israel WAS to continue its Marxist economic policies, and to prevent any free enterprise tendencies.

THE SOVIET UNION'S PART OF THE PACT WAS:

- The Soviets WOULD institute a pro-Arab policy solely as a camouflage for its true intentions - which was to furnish aid to the Arabs, but never enough to enable the Arabs to destroy Israel.
- The Soviets WOULD open the gates of Soviet satellite countries to Jewish immigration to Israel. Should this be insufficient, Soviet Russia WOULD then open its own gates to immigration.
- The Soviets WOULD absolutely guarantee the security of Israel.

Both the Soviet Union and Israel WOULD exchange intelligence reports.

From the terms of this pact, you can see it was, and still is, the aim of the Soviet Union AND Zionist/Marxist Israel, to prevent peace between the Arab countries and Israel, until ALL Arab countries are forced to adopt socialism under Soviet leadership.

In the conduct of the 1973 War, you can see part of this deceitful agreement being utilized - in particular, the part about the Soviet Union helping the Arabs - but NOT helping enough to defeat Israel!

In planning the 1967 War, Israel was aware that the Arab countries bordering Israel were buying equipment from the Soviets, and Israeli allies. But, because of the Golda Meir - Stalin/Kaganovich Pact, Israeli leaders knew the Soviets would NOT help the Arabs enough to defeat Israel, and that the aid the Soviets were giving the Arabs was only "bait" to draw the Arab countries into the Soviet trap.

Also, Israeli leaders knew that their American Zionist brethren were making sure the U.S. government was supplying enough arms to stop the Arabs, and would send more equipment, and even troops, if necessary.

When the 1973 War started, Jordan, Egypt, Syria, and Iraq surprised Israel with their improved fighting capability. The Egyptian army faced what would seem an impossible task in its attempt to penetrate Israeli territory.

First, there was the water barrier - the Suez Canal, to cross. Then, they would face a high wall of sand and fine dust, which was erected by Israel. Behind that wall was a third barrier - a line of Israeli fortifications. These fortification were stronger than the "Maginot Line" erected by France before World War II to stop any German invasion of France.

Yet, by ingenuity, the Egyptian army crossed the Suez Canal, went over the sand and dust barrier, and broke through the heavy fortifications in a matter of a few hours. Israel was in trouble. The Arabs were winning the war.

But, as pre-planned, <u>if necessary</u>, the U.S. airlifted huge amounts of military equipment and supplies to Israel and, as I mentioned before, the U.S. Airborne Division at Ft. Bragg, N.C., and with U.S. troops stationed in Germany, they were placed on alert and would have been sent to help the Israeli forces if it had become necessary to help Israel win the war.

Fortunately for America, American troops weren't needed to help Israel survive. The additional arms were enough. However, the Arab forces were strong enough to stop Israel from taking over more Arab land. In fact, Egypt was able to take back part of the Sinai Strip.

Egypt's president, Anwar Sadat, realized that the Soviets had no intention of helping the Arabs win the war, and that the Soviets, in selling them SOME equipment, were only trying to trap Egypt in the Soviet net. So, Sadat kicked Soviet military advisors, and civilian technicians, out of Egypt.

THE 1982 INVASION OF LEBANON

In Israel, most Jews have become tired of Israel's involvement in war and aggressive acts, and they want peace. It is only the communist faction that wants war. Sadly, it is these communists who are in power in Israel.

The 1982 attack into Lebanon by Israel, further divided the Jewish population of Israel - even within the more militant Zionist Jews- there is now a split.

The reason given by Israeli leaders for the attack into Lebanon, was "to root out the Palestine Liberation Army (PLO)" and "to stop their terrorist attacks into Israel."

Many Israelis have dared speak out to condemn this reason as FALSE. They have pointed out that, in an effort to achieve peace with Israel, the PLO had, for 11 months, refrained from making any attacks on Israel.

The REAL reasons for Israel's attack into Lebanon were:

- It is the intention of Israel's Zionist/Marxist leaders to carry on perpetual war. The attack into Lebanon was merely another phase of Israel's "wars of aggression" policy.
- Water is scarce in the Mideast, especially in Israel. Ever since Israel became a State, it has wanted the waters of the Litani River for use in Israel, and the only way they could get it was to go in and take it militarily.

Israeli leaders, and the general population, figured that the war would last only a few days. But, the Palestinians and other Arabs, fought heroically against the Israeli invaders who had far superior equipment. As the months passed without victory, and as more Israeli soldiers were brought home and buried, dissent within Israel spread. In the Israeli military forces, many members resigned or refused to carry out orders - because it would have meant killing innocent civilians.

The death of the 250 Marines serving in Lebanon, has been blamed on the Arabs. This is as it had been reported by the Zionist controlled news media in America. But this has NOT been proven!

In fact, reliable reports coming out of Lebanon, indicate that the terrorist attack on the American Marine base, was PLANNED by Israeli military personnel, or the "Mossad" - Israel's Secret Service. In that case, who actually carried out the attack is immaterial.

Israeli personnel planned and instigated the attack. It is common practice for the Zionist/Marxists to plan a covert act and then get someone else to do the dirty work.

By instigating the attack on the Marine base, the Israeli "War Hawks" had hoped the attack would turn the American people against the Arabs, and that America could be drawn into the war, and further help Israel in its aggression against the Arabs. Fortunately, the American people didn't fall for the trap.

A good example of how the Zionists will commit an act of terrorism with the thought of someone else being blamed, is the "Lavon Affair."

In 1954, a group of Israeli's set off a series of bombings of American institutions in Egypt, including the American Embassy. They expected that Egypt would be blamed for the bombings, and that it would cause a break in U.S.-Egyptian relations.

Fortunately, Egyptian authorities caught the Israeli agents in the act of setting one of the bombs, and the whole Israeli plot was exposed.

Most Americans are NOT aware of the treacherous Lavon Affair, because the Zionist controlled U.S. news media failed to report it; just as they had failed to report the facts surrounding the Israeli shelling of the U.S.S. Liberty.

When will Israel stir up another war? In 1985? In 1986? It is difficult to predict, but IT IS CERTAIN that Israel WILL cause another war, UNLESS the American people learn

AND ACT to stop the politicians in Washington from bowing to the American Zionists, and stop using American taxpayer's money to finance Israel's war machine!

WEAKNESS IN ISRAEL'S MILITARY

There is no doubt that Israel has a powerful military force. The base of Israel's military power is the massive amounts of the latest equipment supplied by the U.S,. and paid for by the American taxpayers.

But serious weaknesses have developed in Israel's military. It is in the makeup of the personnel that weaknesses emerge. This is due to two main reasons.

Reason One Because Israel has continuously been involved in war, or preparing for war, the cream of Israel's youth are leaving Israel, or they find some excuse to not serve in the armed forces.

The Israeli Army is so short of manpower, that it is openly recruiting homosexuals of which Israel has an abundant supply. In 1976, an Israeli army officer, testifying before the Knesset (Israel's Congress) said in effect, "If we do not recruit homosexuals, then we will not have enough manpower to fill the ranks."

It has also been learned that Israel has had to resort to hiring foreign mercenaries.

Reason Two Another weak point is the growing ill feeling between Ashkenazi Jews and Sephardic Jews in the Israeli Army. This has developed because nearly all the officers are

Ashkenazi Jews, and most of the lower ranks who must do the fighting, are Sephardic Jews. Due to the shabby treatment of Sephardic Jews by the Ashkenazi Jews in the Army, a mutiny by Sephardic Jews is a strong possibility.

A WARNING TO MR.& MRS. AMERICA

The Marxist Zionists who rule Israel* and the Marxist Zionists in America, have been trying to trick the U.S. into a Mideast war - on the side of Israel, of course. They almost succeeded when U.S. Marines were sent to Lebanon in 1982. The blood of the 250 American Marines who died in Lebanon is dripping from the hands of the Israeli and American Zionists.

If more Americans are not made aware of the truth about Zionist/Marxist Israel, you can be sure that, sooner or later, these atheists who claim to be God's Chosen People, will trick the U.S. into a Mideast war against the Arabs who, in the past, have always been America's best friends. Then …

More American boys (and girls) will die because of these clever, murderous Zionists who, incidentally, have been responsible for pushing America into WW I, WW II, the Korean War, and the Vietnam War.

While Zionist International Bankers, and other Zionist Jews, were busy counting their profits from those wars, American mothers and fathers, brothers and sisters, were mourning the loss of their sons and brothers.

Will you someday be mourning the loss of YOUR son or brother because of Zionist treachery?

* *At the 1918 dedication of the Hebrew University in Israel, Chaim Weitzman listed Karl Marx as one of the notable "links in the long, unbroken chain of intellectual development" of the Jews.*

CRIME IN ISRAEL

Since Israel (formerly Palestine) is the land where Moses, Jesus and Mohammed once walked, it would seem that the inhabitants of this land would have respect for this Holy Land, and for the religious sites that exist here.

Nearly all Arab Moslems and Arab Christians DO have respect, even reverence, toward the holiness of the land; but, only a small minority of the Jews have this same respect. Almost 95% of the Jewish population are atheists or secular humanists, and they are not held back by the Ten Commandments or other restraints against sinful human behavior.

When the Zionist/Bolshevik Jews won control of the Holy Land, every form of sin began seeping into this land. Within a few short decades, this Holy Land became a modern-day Sodom and Gomorrah. Drug trade, drug abuse, illegal weapons sales, prostitution, gambling, labor racketeering, murder, extortion, blackmail, insurance fraud, loan sharking, and corruption of government officials and police.

Israel has a highly organized crime syndicate headquartered in Bat-Yam near Tel Aviv. Many members of the crime syndicate are ex-convicts and ex-commandos from the Israeli Army, and they are highly skilled in the use of weapons and explosives.

The crime syndicate in Israel operates openly because of corruption in government and police circles. Some of the police and government officials are "paid off" by the crime syndicate, and some officials are actively associated with the crime operation.

The average American doesn't hear of this, the real side of Israel, because the Zionist controlled press, radio and TV in America keeps silent about it. But in Israel, some newspapers report the facts. For instance, right in the middle of page one in a Hebrew language newspaper just a couple of years ago, was an article that said, in effect, that what the Italian mafia couldn't accomplish in 40 years, the Israeli mafia accomplished in 5 years. It has developed the largest illegal drug exporting ring in the Mideast, selling drugs mainly to Germany and the U.S.. They have even set up a distribution network within Germany and the U.S..

Except for a few religious Jews who have emotional and religious ties to the holy sites in Israel, and some lower class Jews who can't afford to leave, all other decent Jews have left, or are planning to leave. One big reason is the sin permeating virtually every phase of Israeli society - it's just too much for decent Jews to endure.

ISRAEL'S ARMS INDUSTRY

Since terrorism, violence and war are a way of life in Israel, it is only natural that the manufacturing of military equipment and arms has become Israel's main industry and export.

During the first few years of its existence, Israel acquired its military needs from the U.S. and from communist countries. But gradually, with U.S. assistance, Israel developed its own arms industry.

Zionist domination of the U.S. government, has led to an "Israel First" policy. This Israel

First policy has severely hurt the U.S. economy.

Instead of manufacturing certain military materials in the U.S., and thus providing jobs for American workers, factories were set up in Israel with U.S. financing and technical assistance, to manufacture these products.

The U.S. has also helped Israel set up factories to produce electronic equipment, pharmaceuticals, chemicals, home appliances, etc. - all products that could have been produced in the U.S.. While Israel profits from the "Help Israel" ventures, American workers are left standing in unemployment lines.

Manufacturing of certain war materials has become so great, that it has become Israel's main export. This war creating country, which has been portrayed as the "only barrier to communism in the Mideast" sells its war products to ANYONE who has the money, including repressive dictatorships - Fascist OR Communist.

Israel not only sells weapons made in Israel, but it also sells weapons supplied to Israel by the U.S.. It has been discovered that some weapons used by Soviet forces in Afghanistan, were "MADE in the U.S.A." and were originally shipped to Israel. It has also been learned that some weapons used by Cuban forces in Angola, were MADE IN THE U.S.A. and originally shipped to Israel.

It is ironic that the United States is in a life and death struggle against the spread of communism, yet our Zionist dominated U.S. government allows military equipment to be

shipped to communist forces via Israel.

ISRAEL'S RACIST POLICIES

You will recall that I mentioned my troubles in Israel began when I, an Ashkenazi Jew, married a Sephardic Jewess. Anti-Sephardic treatment by Ashkenazi Jews, is even official government policy. This racism runs very deep in Israel, and sharply divides the Jewish population.

One day I entered a café in Tel Aviv. The place was crowded and I sat down on the only seat available. Also sitting at this table were five Sephardic Jews from Morocco. They learned that I was studying the Hebrew language and they were helping me with my studies, when a blue-eyed, Nazi type Israeli police officer walked into the café.

He ordered me to "Get away from those 'Kooshim." (Kooshim in Hebrew is the equivalent of 'niggers' in English) I replied, "After I finish eating." The officer drew his service revolver and shouted, "You move NOW!"

"You had better listen to him," the café owner advised me. So I got up.

Standing close to me, the officer pointed his gun right at my face and ordered, "Throw your coffee and pastry on the floor!" With a gun pointed at me, I didn't argue. I threw the coffee and pastry on the floor. Then he ordered, "Get out of here and don't come back!"

Later, I learned that I had been lucky. He could have arrested me if he had wished, and he could even have shot me under vaguely defined Israeli laws.

In the U.S., if anyone complains of police brutality or misconduct, there is an investigation, but not in Israel. The person registering a complaint can expect police reprisal in the form of a beating.

Besides being denied decent housing and decent employment because I had married a Sephardic Jewess, I was the target of racial slurs. Several times I was even attacked by Ashkenazi Jews because I had married a Sephardic Jewess. Other American Ashkenazim who had gone to Israel and married Sephardic Jewesses, also received the same treatment as I.

Because Sephardic Jews are victims of the racist practices against them, I had often heard Sephardic Jews in Israel tell a European Ashkenazi Jew, "Hitler didn't kill enough of you bastards!"

PLEASE READ THE NEXT PARAGRAPH CAREFULLY

I was born in the United States, attended public schools, worked in various parts of the U.S., and served two years in the U.S. Army. Not even once was I persecuted, or did I have racist remarks made to me because I was Jew. It is ironic that once in Israel, the so-called "Zionist Paradise for ALL Jews," I, as a Jew, suffered because of racism!

The Zionist controlled news media in America has kept the news from the American people that Israel is intensely racist. Most Ashkenazi Jews in America are NOT aware of the racism in Israel. Even those Jews who have visited Israel are not aware because they are carefully kept from witnessing racist incidents.

However, Sephardic Jews in America have spread the truth about the practice of racism against the Sephardic Jews in Israel. Knowing this, Sephardic Jews have NOT been among those Jews who have migrated to Israel from America.

From what I have written so far, you should now realize that few Jews practice Judaism. Most Jews are atheists, or they follow humanism, which is an anti-God religion of its own. So the portrayal that Jews are a religious people who look to Israel as a fulfillment of Biblical prophecy, is a myth.*

Also, the portrayal that Jews are one race of people is a myth. The Sephardic Jew vs Ashkenazi Jew division is adequate proof of that.

Racism, as practiced in Israel, is one of the reasons that Israel will, sooner or later, destroy itself.

COMMUNISM IN ISRAEL

The Zionist controlled news media in the U.S. has led the American people to believe that Israel is the only barrier holding back communism in the Mideast. This would actually be humorous, if it did not have such serious implications for the United States.

From what I have said so far, you should now realize that Israel is basically a Marxist country mixed with some Nazi type fascism. A very large book could be written about it, but for now, I only wish to say this.

1. Israel is the only country in the Mideast that allows communist parties to operate. Ironically, it is the Arab countries which

* *Titus 1:14*

forbid communist parties to operate. The exception is North Yemen which, through treachery, was taken over by the communists.

Some of the Arab countries buy military equipment from communist countries because they can't get enough from the U.S. to offset the huge amounts the U.S. provides Israel. But that's as far as any Arab/Soviet ties go.

2. The Soviet Union allows a good number of Jews to leave if they promise to go to Israel, and Israel welcomes these communist oriented Jews. It must be noted though, that once out of the Soviet Union, many, if not most, Soviet Jews come to the U.S. instead of going to Israel. It must also be noted that hundred of thousands of Jews have left Israel since it founding. Some sources put the number at one million. Some of these Jews have even requested to go back to the Soviet Union, rather than live in Israel. Life for these Jews, is actually better in Soviet Russia!

3. The latest scientific developments that the U.S. provides Israel, are channeled on to the Soviet Union. The main center through which this scientific information passes, is Israel's "Weizman Institute" in the town of Rehovot, about 40 kilometers south of Tel Aviv.

4. About one-third of the Knesset belong to one of Israel's communist, socialist, or other Marxist oriented parties. This fact alone should put to rest the lie about Israel being the only barrier against communism in the Mideast!

In fact, it is the Arab countries that form the barrier that has stopped the spread of communism in the Mideast. Israel is one leg of the New York/Moscow/Tel Aviv Triangle which is actually behind the communist movement!

TERRORISM AND VIOLENCE

At the "First Zionist Congress" meeting which was held in 1897 in Basle, Switzerland, one of the goals set was to create a Jewish State in the land of Palestine. At that time, only a few Jews were living in Palestine, and they were nearly all native Sephardic Jews who are blood related (Semites) to the Arabs. These Palestinian (Sephardic) Jews and the Palestinian Arabs, were living in peace as they had for many centuries.

After the Zionist Congress in 1897, European Ashkenazi Jews, began migrating to Palestine and buying land wherever they could. Yet, by 1920, Jews owned only 2% of Palestine.

By 1948, when Israel declared itself a State, these invading Jews had increased their land ownership - but it was still less than 6%.

To accommodate the increasing European Jewish migration, the Jews needed more land, but the Palestinian Arabs refused to sell. So, to get more land from the Palestinians, these communist oriented European (Ashkenazi) Jews, resorted to the one thing at which they are most adept - terrorism.

Their first major act of terrorism against the Palestinians was at the Palestinian village of Deir Yassin. During the night of April 9, 1948, two Zionist terrorist gangs, the Irgun

and the Stern Gang, attacked and massacred over 250 men, women and children.

Menachem Begin,* was the leader of the vicious attack on Deir Yassin. He later became Prime Minister of Israel, and had this to say, "The massacre was not only justified, but there would not have been a state of Israel without the 'victory' at Deir Yassin." !

The massacre at Deir Yassin caused other Palestinians to flee their homes in fear. Zionist terrorists drove trucks with loudspeakers through the streets, and over the roads of Palestine, warning Palestinians that what had happened at Deir Yassin, would happen to them, too, if they didn't leave. These Zionist terrorists weren't bluffing either, as proved by these examples:

- They killed 60 Palestinians at Balad Esh-Sheikh.
- They blew up 20 homes in Sa'sa', killing 60 women and children.
- They killed an unknown number of women who were working in Saint Simon monastery in Jerusalem.
- They massacred 250 at Lydda.
- They killed 200, mostly old people, in the village mosque in Ed-Dawayimeh.
- They killed 51 workers as they returned from their fields at Kafr Qasem.
- Christian inhabitants of Kaba Bir'im, were expelled from the village, and then the village was destroyed. The village cemetery was desecrated, including the smashing of 73 crosses.

During the few months when these, and other

* *See Supplement P.71 for Albert Einstein's opinion of both this incident & Menachem Begin*

acts of terrorism were taking place, about 300,000 Palestinian Christians and Moslems, were forced to leave their homes or be killed by the terrorist groups which were made up of European, communist oriented Jews. It was these same Marxist oriented Jews who were soon to become the ruling elite of the State of Israel. From the beginning, and to the present, (1984)these terrorist, Marxist oriented, Zionists have ruled Israel.

After Israel declared itself a State on May 14, 1948, Israeli terrorism continued in an effort to push more Palestinians from their homes. Since then, more than 350 Christian churches, and Moslem mosques, have been destroyed by these Zionist terrorists.

At this point, I wish to give this warning to all God believing people in the United States - Christians, Moslems and true Jews. The destruction of religion (Faith) by the Zionist Jews is well underway in the U.S.. In Israel, it has nearly been accomplished.

To accomplish their goals, the Zionists will not let ANYONE stand in their way. During WW II, the Zionist leadership co-operated with the Nazis by delivering the lower class Jews to the concentration camps. [see p.107] So it is not surprising that they sank the ship "Patria" carrying 252 Jewish immigrants whom the Zionists had feared might oppose Zionism. In another incident, 760 Jewish lives were forfeited when the Zionists sank the ship "Struma" for the same reason.

Even well known world figures are not immune to Zionist terrorism and violence. In 1948, in an effort to bring about a peaceful

settling in the Israeli/Palestine area, the United Nations sent Count Folke Bernadotte of Sweden to mediate. Count Bernadotte favored a partitioning of the area, with a portion of the land for the Jews, and a portion for the Palestinians. But this angered the Zionists who wanted ALL of the land. In a brazen show of disregard for diplomacy, justice and common decency, the Zionists "eliminated" Count Bernadotte. He and his driver were assassinated while riding down the streets of Jerusalem.

Tens of millions of innocent people have been killed since the Zionist/Bolshevik Jews, backed by the Zionist oriented Jewish International Bankers, took over Russia. In the Mideast, these same Zionist/Bolshevik Jews are using the very same tactic. They are routing the Arabs from their land by killing untold thousands of them, and rendering hundreds of thousands homeless.

The question then arises - How many Arabs will they kill when the Zionist/Bolsheviks gain control over the Mideast, and when they gain physical control over America? They already have control of nearly every phase of American life. *If the Zionists ever succeed in imposing gun control on the American people, there will be nothing to stop them from a complete takeover of America.*

DISASTER AHEAD!

Ephraim Sevilla, a Russian Jew, migrated to Israel in 1971. After five years of frustration in Israel, he left as have nearly all other decent Jews. In his book, Farewell Israel, Sevilla predicted that Israel would only last another ten years. This he wrote in 1975.

Israel's existence could drag on past 1985, but I must agree with Sevilla, that Israel is doomed. Israel's Marxist/Fascist policies, wars of aggression, plus racism, has led Israel to the brink of disaster.

In anticipation of Israel's collapse, corrupt Israeli leaders and other Jews in positions of power, have already been charged with embezzling large amounts of American taxpayer money given to Israel, and Jewish donations, and they have deposited this money in foreign accounts.

It must be kept in mind that, because of Israel's policies, the "free" countries of the world have turned against Israel, and against the U.S. for supporting Israel. This has hurt Israel, and especially the U.S..

If Israel, *as it now exists*, simply collapsed and ceased to exist, the world would certainly be better because of it. Unfortunately, the New York/Moscow/Tel Aviv Triangle will NOT allow Israel to die quietly. As the collapse of Israel draws near, one of two courses of action by the Triangle would use its influence on the U.S. government to send U.S. military forces to aid Israel.

It isn't expected that the Moscow leg of the Triangle will become militarily involved. Moscow will merely sit back and let the U.S. weaken itself in helping Israel fight the Arabs. Then, at some point during the war, when the U.S. military is deeply involved, and the U.S. citizens demoralized, the Zionist oriented Jewish International Bankers, will make their move. Evidence leads to the conclusion that it is these International Bankers who own the Class A stock of the U.S. Federal Reserve,

America's central bank. With this position of power in place, these Zionist Bankers can, and most likely will, trigger an economic collapse in America - just like they did in 1929 when they caused the stock market crash, and started the "great" depression of the 1930's.

Since the money system currently used in the U.S. is NOT backed by gold, silver or anything of tangible value ("fiat" currency) the paper dollars and tin coins now in use will be worthless.

In the resulting state of confusion, and in an effort to obtain food and other necessities, the American people will accept the "New States Constitution" which has already been written. It will place the American people under the dictates of a "One World Government" run by the Zionist oriented International Bankers, and the Zionist/Bolshevik Jews.

Exactly what direction the war in the Mideast will take, only the New York/Moscow/Tel Aviv Triangle, and God Himself, will know.

When it is all over, the main losers will be:

- The American people
- The Arab people.
- The Sephardic Jews, and that portion of Ashkenazi Jews who are for justice and freedom.

The only winners will be:

- The Zionist International Bankers and
- the Zionist/Bolshevik "communist/socialist" Jews

The other likely course of action would be a "back-up", IF the American taxpayers were to say, "That's enough!"

The cost of supporting a bankrupt Israel, will mean a draining of increasing amounts of money from the American taxpayers. At some point, the taxpayers are going to say, "That's enough!" When that finally happens, then the Moscow leg of the Triangle will move in to fill the void.

To neutralize the United States, the Zionist International Bankers, will most likely create an economic collapse, and throw the U.S. into a state of chaos.

What military action the Soviet Bolshevik Jews and the Israeli Zionist/Bolshevik Jews will take against the Arab countries, only the Triangle and God will know. It is likely that they will strike into the Arab oil fields first.

Based on developing military, economic and political actions in both the U.S. and Israel, the two courses of action I have mentioned, appear to be the most logical for the Triangle to follow. Whether one of these two possibilities develops, or whether a surprise is in store for us, only the Zionist/Bolshevik "War Lords" and God know.

THE STAKES ARE HIGH
FREEDOM OR SLAVERY

In deciding the course of action to be taken to stop the Zionist/Bolshevik "War Lords," two points are the keys, and must be restated and emphasized.

1. One leg of the Zionist/Bolshevik Jews is based in New York City. It was from this base, that financial, and organizational, aid

was given to carry out the Bolshevik Revolution in Russia. This revolution enabled the establishment of the second leg of the Zionist/ Communist power - Moscow.

If it were not for the continued support by the New York, Zionist/Bolshevik Jews, and their nation wide network, communism would have collapsed long ago. But, the various facets of power held by these Zionists in America, have enabled them to trick the American people into supporting communism.

2. Communism would NOT have gotten started, and most problems faced by Americans would NOT have developed, if the news media would have kept the American people informed about the actions of the Zionists/Bolsheviks.

However, these Zionist/Bolshevik (communist) Jews are clever. BEFORE they began their acts of subversion in America, they gained control of the major newspapers, and especially the news services which supply national and international news, to the daily newspapers.* Since they controlled, and STILL control, the major news media outlets, including radio and television, they have been able to distort, or omit, the truth about their subversive acts.

EXPOSURE IS THE SOLUTION

In 1920, American patriot Henry Ford, Sr.** wrote, "If the American people ever become aware of the truth about this coterie of Jews, it would be the solution."

* *See the Wickipedia article on the history of the Associated Press (AP)*

** *Although Mr. Ford had many close friends who were Jews, he was publicly vilified as an "anti-Semite" and a "Jew hater."*

What he meant was, that if the American people ever learned the truth, they would take whatever action necessary to stop this bunch of Zionist/ Bolshevik Jews.

Many individuals and groups are in the process of trying to inform the American people about the Zionists and the danger they present to America, and to the free world nations, but it is still far too little to be effective. It would be in the interest of nearly every person who is aware of the truth, to quietly, but energetically, help to spread the information to others. People who SHOULD have an interest include:

- The average American who wishes to preserve his/her freedom.
- Arab Americans who wish to remove the thorn of oppression in the Mideast.
- People from the captive nations of Europe who wish to rid their homelands of the Bolshevik scourge.
- Ethiopian Americans, and other Afro-Americans, who have seen their homelands taken over by these Bolshevik/communists.
- Chinese Americans, Vietnamese Americans, Korean Americans, and Oriental Americans who have felt the heavy hand of communist oppression.

Since each and every one of these nationalities are fighting the same destructive enemy (our "common foe") - the Zionist/Bolshevik (communist/socialist) Jews, it would be more effective if all joined hands in a co-operative effort.

I might add that leading the fight against the Zionist Jews SHOULD be the **Pro-American Jews** like myself - those who love America and realize

the destruction the Triangle has brought to the world.

A "HOLY LAND" STATE

Since the land now occupied by Israel is rightly referred to as the "Holy Land," ALL Christians, Moslems, and anti-Zionist Jews SHOULD co-operate in an effort to transform Israel into a demilitarized, Holy Land State, under international supervision. Then, from this Holy Land, could come the Word of God, instead of torture, war and drugs.

THE REAL ISSUE

I want to again emphasize a key point of this book.

It is a waste of time to talk about fighting communism, and the problems it has caused, and it is also a waste of time to talk about the internal problems facing America, UNLESS the main cause of those problems has been identified.

The main cause, of course, is the Zionist oriented Jewish International Bankers, and the Zionist Jews who operate behind a cloak of secrecy.

"Let ALL nations join hands in the fight against Our Common Foe!"

A

SUPPLEMENT

to the Original Text
by Jack Bernstein & Len Martin

Supporting the allegations of Mr. Jack Bernstein regarding the Zionist International Bankers & Bolshevism as prepared by U.S. Army Intelligence

The following are excerpts from **The Official Report of the United States Army Intelligence, 2nd Bureau** as was reproduced in an article printed in The British Guardian on February 13th, 1925, along with excerpts from the article itself.

IMPORTANT NOTE: While the report refers to "Jews," the reader needs to have a very clear understanding that these are NOT your Jewish neighbors, shopkeepers, and those who babysit your children. The Jews referred to in this report are "Zionists."

Zionism is a political group which believes that Israel is a *supra*nation. In other words, the Zionists claim that Jews around the world are God's Chosen People, and therefore, they collectively represent a nation which is sovereign over all others, which is why they wanted to establish a physical presence in Palestine by founding the State of Israel.

Although the Zionists have waged an all out campaign to bring Diaspora Jews back to Israel, they have had little success. Most American Jews especially, are very happy in America, and they are proud to be Americans. They know little more, if any, about the Zionists and their hateful, subversive acts than you do.

Bolshevism and Zionism

Compiled by the Official American Services and transmitted to the United States of America by the U.S. Ambassador to the French Republic.

"(I) In February, 1916, we learned for the first time, that a Revolution was being fomented in Russia. We discovered that the persons and concerns given below were engaged in this work of destruction:

(1) Jacob Schiff ..... .Jew
(2) Kuhn, Loeb & Coy ... Jewish Bank
(Rothschild subsidiary, New York)
Directorate -
Jacob Schiff ..... Jew
Felix Warburg ..... Jew
Otto Kahn ..... Jew
Mortimer Schiff ..... Jew
Jerome H. Hanauer ..... Jew
(3) Guggenheim ..... Jew
(4) Max Breitung ..... Jew

"There is then, scarcely any doubt that the Russian Revolution, which broke out a year after the above information reached us, was worked up and launched by, distinctly Jewish *(Zionist)* influences."

"In fact, in April of 1922, Jacob Schiff made a public declaration, that it was thanks to his financial support, that the Russian Revolution was a success."

"(II) In the spring of 1917, Jacob Schiff began to commission Trotsky *(Zionist)* to bring about the actual Social Revolution in Russia. The New York journal "Forward", a Bolshevik daily gazette, added also its own contribution to the same source."

"From Stockholm, the Jew, Max Warburg, in the same way, commissioned Trotsky & Coy. They were also commissioned by the Rheinish Westphalian Syndicate, an important Jewish concern, as also by another Jew, Olaf Aschberg, and the Nye Banken of Stockholm, and also by Jovotovsky, a Jew, whose daughter had married Trotsky. This established the relations between the Jewish multi-millionaires, and the Jewish proletarians."

"(III) In October of 1917, the Social Revolution took place in Russia, thanks to which certain Soviet organizations took over the government of the Russian people. In these Soviets, the individuals named below became conspicuous:

"WAR NAME"	TRUE NAME
Lenin	Oulianow
Trotsky	Bronstein
Steckloff	Nachamkee
Martoff	Zederbaum
Zionvieff	Apfelbaum
Kameneff	Rosenfeld
Souchanoff	Gimel
Sagerski	Silberstein
Bogdanoff	Krochmal
Utitsky	Radomislsky
Larin	Lurie
Kamkow	Katz
Ganetzky	Furstenburg
Dan	Gourevitch
Menchkowsky	Goldberg
Parvus	Helpfand
Riasanow	Goldenbauch

"WAR NAME"	TRUE NAME
Martinow	Zibar
Chernomorsky	Chernomordik
Solntcew	Bleichmann
Piatnisky	Zivin
Abramovitch	Rein
Zvesdin	Voinstein
Maklakowsky	Rosenlium
Lapinsky	Loevenschein
Bobrow	Natansohn
Axelrod	Orthodox
Garin	Garfield
Glasounow	Schiltze
Ioffe	Ioffe

(Editor's Note: Nearly all the above mentioned "True Names" are those of German Jews. Amschel Mayer, Jewish banker of Frankfurt, Germany, and founder of the International Banking Cartel, adopted the name "Rothschild" over 150 years ago, and was founder of the "House of Rothschild." Rothschild means "Red Shield." Although this family is believed to be the wealthiest in the world, for some reason, they never are mentioned in the myriad lists of the world's richest people. They are seemingly invisible.)

"(IV) At the same time, a Jew, Paul Warburg, showed himself to be on such close relations with the principal Bolsheviks, that he failed to obtain re-election to the Federal Reserve Board" (at that time)

"(V) Amongst the intimate friends of Jacob Schiff is a rabbi, Judas Magnes, who is also a devoted agent of his. The Rabbi Magnes is a vigorous protagonist of International Judaism *(Zionism),* and a Jew named Jacob Millikow, one day, declared that Rabbi Magnes was a prophet.

In the early part of 1917, the said Jewish prophet, launched the first truly Bolshevik association in this country *(the U.S.)*

under the name of the "Council of the People." The menace of this association was not apparent until later.

On October 24th of 1918, Judas Magnes declared publicly that he was a Bolshevik, and that he was in complete agreement with their doctrine and their ideals."

This declaration was made by Magnes at a meeting of the Jewish Committee of America at New York. Jacob Schiff condemned the utterance of Judas Magnes, and, in order to deceive the public, retired from the Jewish Committee of America. Nevertheless, Schiff and Magnes remained in complete harmony as members of the "Council of Administration of the Jewish Kahal."

"**(VI)** Judas Magnes, commissioned by Schiff, is otherwise, in intimate relations with the International Zionist organization "PAOLE" of which he was the director. His final aim is to establish the international supremacy of the "Jewish Labour Party." Here again, the bond between Jewish multimillionaires and the Jewish proletarians becomes clear."

"**(VII)** A few weeks later, the Social Revolution broke out in Germany. Automatically, a Jewess, Rosa Luxembourg, took over its political direction, and one of the principal leaders of this international Bolshevik movement, is a Jew, M. Hasse. At this time, the Social Revolution in Germany developed following the same Jewish *(Zionist)* direction as the Social Revolution in Russia."

"**(VIII)** If we note the fact that the Jewish firm, Kuhn, Loeb & Coy, is in relations with the Rheinish Westphalian Syndicate, a German Jewish firm, and the Brothers Lazard, a Jewish banking firm of Paris, and also the Jewish banking firm of Guenzbourg of Petrograd, Tokyo and Paris, if we remark further, that the Jewish firms mentioned above, are in close relations with the Jewish bank of Speyer & Co. of London, New York and Frankfurt-on-Main, Germany,* as well as

* *Amschel Mayer's bank was originally at Frankfurt, and was named "Zum Rothen Schilde" - "to the Red Shield"*

the Nye Banken, a Jewish Bolshevik concern in Stockholm, it will then be apparent that the Bolshevik movement, as such, is in a certain measure, the expression of a general Jewish *(Zionist)* movement, and that certain Jewish banking houses are interested in this movement."

(End of quotations from the U.S. Army Intelligence Report)

The following are now excerpts from the accompanying article in the British Guardian of February 13th, 1925:

"The Allies have gained a marvelous victory over German militarism. Out of the ashes of German autocracy rises a New World autocracy ... that is, Jewish imperialism *(Zionism)*, whose final aim is to establish the Jewish domination of the world."

"Although the Jews throughout the period of the War, did their utmost to evade military service in the different countries, nevertheless, they have already obtained formal recognition of a Jewish *(Zionist)* State in Palestine. They have equally succeeded in setting up a Jewish Republic in Germany, and in Austro-Hungary. These are the first steps towards the future domination of the world by the Jews *(Zionists)*, but this is not their last effort."

"International Jewry *(Zionism)* is feverishly organizing itself, drawing itself together, spreading its poisoned doctrines, realizing enormous sums of money (just a few weeks ago they realized almost instantaneously, a million dollars ostensibly for establishing schools in Palestine) and spending enormous sums on their propaganda."

"Christianity remains silent, inactive, passive, and inert. Which of the Christian statesmen will dare to understand the prophetic words of international Judaism *(Zionism)*? Which of them has ever taken into account that the Jews *(Zionists)* think exactly this, which they have said?"*

* *Since 1925, "Christian Zionism" has become a reality in support of the political Zionist extremists! Without Christian support, the Zionists would be unable to succeed*

SUPPLEMENT

to the Original Text
by Jack Bernstein & Len Martin

An "Open Letter" printed in the New York Times 1948

Amongst the 28 signers of this letter was Albert Einstein.

Supporting the allegations of Mr. Jack Bernstein
against then Israeli Prime Minister Menachem Begin
and his ties to Israeli terrorism.

December 4, 1948
Open Letter in the New York Times

The New Palestine Party

Visit of Menachem Begin and Aims of Political Movement Discussed

TO THE EDITORS OF THE NEW YORK TIMES:

Among the most disturbing political phenomena of our times is the emergence in the newly created State of Israel, of the "Freedom Party" (Tnuat Haherut)- a political party closely akin in its organization, methods, political philosophy and social appeal, to the Nazi and Fascist parties. It was formed out of the membership and following of the former Irgun "Zvai Leumi" - a terrorist, right-wing, chauvinist organization in Palestine.

The current visit of Menachem Begin, leader of this party, to the United States is obviously calculated to give the impression of American support for his party in the coming Israeli elections, and to cement political ties with conservative Zionist elements in the United States. Several Americans of national repute have lent their names to welcome his visit. It is inconceivable that those who oppose Fascism throughout the world, if correctly informed as to Mr. Begin's political record and perspectives, could add their names and support to the movement he represents.

Before irreparable damage is done by way of financial contributions, public manifestations in Begin's behalf, and the reaction in Palestine of the impression that a large segment of America supports Fascist elements in Israel, the American public *must* be informed as to the record and objectives of Mr. Begin and his movement.

The public avowals of Begin's party are no guide whatever to its actual character. Today they speak of freedom, democracy and anti-imperialism, whereas, until recently, they openly preached the doctrine of the Fascist State. It is in its actions that the terrorist party betrays its real character; from its past actions, we can judge what it may be expected to do in the future.

Attack on Arab Village

A shocking example was their behavior in the Arab village of Deir Yassin. This village, off the main roads, and surrounded by Jewish lands, had taken no part in the war, and had even fought off Arab bands who wanted to use the village as their base.

On April 9, terrorist bands attacked this peaceful village,* which was not a military objective in the fighting, killed most of its inhabitants - 240 men, women, and children - and kept a few of them alive to parade as captives through the streets of Jerusalem. Most of the Jewish community was horrified at the deed, and the Jewish Agency sent a telegram of apology to King Abdullah of Trans-Jordan.

* *Reported in the New York Times*

But the terrorists, far from being ashamed of their act, were *proud* of this massacre, publicized it widely, and invited all the foreign correspondents present in the country, to view the heaped corpses and the general havoc at Deir Yassin.

The Deir Yassin incident exemplifies the character and actions of the Freedom Party.

Within the Jewish community, they have preached an admixture of ultranationalism, religious mysticism, and racial superiority. Like other Fascist parties, they have been used to break strikes, and have themselves pressed for the destruction of Free Trade Unions. In their stead, they have proposed Corporate Unions on the Italian Fascist model.

During the last years of sporadic anti-British violence, the IZL *(Irgun)* and Stern groups, inaugurated a reign of terror in the Palestine Jewish community. Teachers were beaten up for speaking against them, and adults were shot for not letting their children join them. By gangster methods, beatings, window smashing, and wide-spread robberies, the terrorists intimidated the population and exacted a heavy tribute.

The people of the Freedom Party have had no part in the constructive achievements in Palestine. They have reclaimed no land, built no settlements, and only detracted from the Jewish defense activity. Their much publicized immigration endeavors were minute, and devoted mainly to

bringing in Fascist compatriots.

Discrepancies Seen

The discrepancies between the bold claims now being made by Begin and his party, and their record of past performance in Palestine, bear the imprint of no ordinary political party. This is the unmistakable stamp of a Fascist party for whom terrorism (against Jews, Arabs, and British alike), and misrepresentation, are the means - and a Leader State is the goal.

In light of the foregoing considerations, it is *imperative* that the truth about Mr. Begin and his movement be made known in this country. It is all the more tragic that the top leadership of American Zionism has refused to campaign against Begin's efforts, or even to expose to its own constituents, the dangers to Israel from support of Begin.

The undersigned, therefore, take this means of publicly presenting a few salient facts concerning Begin and his party; and of urging all concerned to NOT support this latest manifestation of Fascism.

Recommended Reading
Einstein on Israel and Zionism by Fred Jerome

Please remember
the people you have been reading about
are NOT your Jewish neighbors.
*They are **Zionist extremists**.*

The ordinary Jewish citizen in America does NOT know how the Zionist extremists have been using them to perpetrate their own agenda.

We the People

need to bring those things which are being done in darkness into the light and expose them.

America is the melting pot of the world.
We are a blessed nation.
Don't let the terrorists of any group destroy us.

We must all have the courage to stand up and speak out.

God Bless the U.S.A!

INTRODUCTORY NOTE

Benjamin Harrison Freedman was one of the most intriguing, courageous, and credible individuals of the 20th century.

Born in 1890, he was a successful Jewish businessman of New York City who was, at one time, the principal owner of the Woodbury Soap company. He broke with organized Jewry after the Judeo-Communist victory of 1945, and then spent the remainder of his life, and his considerable fortune (at least 2.5 million dollars) trying to expose the Zionist tyranny which has hijacked the United States of America.

Mr. Freedman knew what he was talking about because he had been an insider at the highest levels of Zionist organizations and machinations to gain power over our nation. He was personally acquainted with Bernard Baruch, Samuel Untermyer, Woodrow Wilson, Franklin Roosevelt, Joseph Kennedy, and John F. Kennedy (whom he admired), and many more "insiders."

This speech was given in 1974 before a prominent military organization in Washington, D.C.

The infamous "Call to Action" for a Zionist "Holy War" by Mr. Samuel Untermeyer, printed in the New York Times in 1933 and referred to by Mr. Freedman, is reproduced on Page 103 for your perusal.

MR. BENJAMIN FREEDMAN IS INTRODUCED

I am very honored to be here. I don't know how to start to thank Colonel Dall* for making it possible for me to address you, but I hope that things work out so that you will feel grateful to him. And if you will try to make a little use of the information I can give you, you may be very helpful in saving this country from the fate which has befallen Great Britain and, maybe the Soviet Union.

I've just returned, within the last four weeks, from an extended trip in what is known as "The Middle East." I am very friendly with the heads of the governments - the rulers who've known me for 25 or 30 years, who talk to me and treat me as a brother. I stay with them at their homes and we call each other by our first names.

Now, all I can tell you is that what I am going to tell you may not make you feel any more comfortable, but the less comfortable you are after hearing me, the more chance you will exert whatever influence you can to save this country from a fate it doesn't deserve. After the men I see here get to know their records, what they have done to pull us out of the ditch, once, maybe twice, I don't think it's fair to these men to see us now, dragged down into the sewer of history, which is where we are bound to go if things deteriorate - that is really not the word - if things *degenerate* at a more rapid pace than they have been degenerating the last ten or fifteen years.

Now before I make this talk, I would like to call your attention to one thing. I am going to use a word - you hear the word, you read the

* *Curtis B. Dall - Former son-in-law of Franklin Delano Roosevelt and author of F.D.R. My Exploited Father-in-Law*

word, and you use the word - Jew - as though it is something that could be weighed and felt - has a background. I'm going to use that word, although I never use it in my own personal affairs, or in my private life. Now I want to explain that Dr. Samuel Johnson wrote the first English Dictionary in 1797. That's only a few years from 1800, which isn't so very long ago! It consists of two thick volumes, and it has possibly every word that was then used in the English language. I have shown that to many important people in all walks of life, and they were amazed, because when I told them what I am going to tell you now, they didn't believe me! So I acquired these two books, and they cost a little money. They're *first editions* - rare!

In that book, those two volumes, the first English dictionary ever published by Dr. Samuel Johnson, about whom many of you know, *the word Jew does NOT appear!* That word was coined, forced on you, stuffed down your throats by control of all the media, by the people who are interested in leading you to slaughter. The word Jew did not appear! They say Shakespeare used it. They cite all the people who used it. It did not exist! * I don't want to go into that now. I don't want to give you a discourse in philology. We have something more important. I am going to talk about that word and use it, but I want you to know that I never accepted it, any more than, let's say, the people who refer to artificial silk.

Well, artificial silk has certain handicaps. I imported it when it first came out. It was made in Germany and it was called "artificial silk" and it had a repercussion. People didn't like to buy anything that was artificial anything! So the manufacturers got together and they were

* *In about 1862, whenever a document/book from before that time was reproduced, the word "Jew" was often substituted for Judean, Israelite or Hebrew, thereby giving the impression that it was in the original.*

awarded $25,000 as a prize to anyone who could get up a good word to use instead of the artificial silk. Well, that prize was won by somebody who coined the word "rayon" and today, people talk about rayon as though it existed from the beginning of the world - as though it always existed. So rayon is a modern word and the man who coined it was paid $25,000.

The word "Jew" was coined for a purpose by the people who got us into two wars, who laid a trap to get us into a third one, and who have practically taken over the control of the world, especially the control of this country, according to Senator Fulbright and others. So it's about time you learned the basics and did something about it!

I am certain that, unless something is done to change the thinking of the 200,000,000 U.S.A. Christians, that this country is headed for disaster! There are 200,000,000 Christians in this country who have been brain washed, from morning to night, by radio, press, television, motion pictures, every media. The mass information has been used to deceive you into believing things that they knew were deliberate lies and part of their scheme to brainwash you, and one of them is the word JEW!

Now, in the Middle East, you know the situation. The United States has been supplying, since the end of WWII, 32 billion dollars of the taxpayer's money, and 95% of that 32 billion dollars was used by the Congress of the United States, after you had paid that money into the Treasury, to make the U.S. the accomplice, the ally of thieves and murderers;* to aid and abet them to hold on to their stolen loot - territory that they acquired by invading Palestine and driving the indigenous population out of the

* *Recommended Reading: The Iron Curtain Over America 1951 by Colonel John Beaty, U.S. War Department, Military Intelligence Officer*

country that they had inhabited for 2,000 years!

Now you were taught by the Christians, you are taught by your ministers, by your priests, and Dr. Ellson here, God bless him, knows how I've been fighting, and he did as much as he could over the years to make it possible for me to succeed . . . you have been told that it is your Christian duty to help repatriate "God's Chosen People" to their promised land. You have been told that by every media of mass information, including the pulpit, including every other means by which they can shape your thinking . . .

Now I'll tell you what a lie that is! I can cite the sources here that I've consulted - maybe 234 official documents, maps, books, and other records, but the best is one that I found in the last few years - the Encyclopedia Britannica, the 1911 Edition, Volume 15 - three pages defining the word "Khazar" Three pages! Now, that book was published in 1911 in London and it probably took twenty-five years for whoever compiled that information to accumulate it. It's the research of many people.

Many of the sources of information are mentioned at the end of the article, but you will find that the Khazars were an Asian nation. They were a Mongoloid, Turko-Finn tribal nation in Asia, and they had so much trouble with the other nations there who finally succeeded in driving them out of Asia and across the border, into what is known today as Russia, in the area of the Ukraine. They found there a lot of peaceful agricultural people, mostly Slavic, and they conquered them. They did the same thing then as they are still doing in the Middle East. They took them for no reason at all except the people weren't trained to fight. They established there the Khazar Kingdom.

Now those three pages in that Encyclopedia Britannica tells you who they are - how war like, how savage, how barbarian they are, and that they succeeded in sweeping across Europe to the gates of Paris and to Finland. They controlled all Europe - these Mongols known as Khazars. They did that from maybe the fourth century to the ninth century. And they were the most brutal people. They enslaved these people and exacted tribute from them, while holding them under their control - practically all Europe!

Until, in the 8th century, a man by the name of Rurik, a Varengian who came from across the water from what is known today as Sweden - he organized these people. They were living as people interested in agriculture. They didn't want any politics, they didn't want nations or governments. But he saw what they were subject to - this treatment by their Khazar conquerors, and he organized the principality of Rokh - which became the Russian Empire. He organized them, and started to drive these Khazars back. And he finally succeeded to where they came into Europe for the first time, in the area of the Ukraine, where they continued their Khazar Kingdom.

Now they were phallic worshipers, and anyone who doesn't know what phallic worship means, I am not going to go into detail, but they were phallic worshipers and they were so degenerate, that when the king, their ruler, heard that there were such things as monotheistic forms of religious belief, Christianity, Islam, Judaism, he sent for representatives of the three of them and asked them to tell him the merits of their faith. And after listening to them, like a child would play "Eenie, meenie, minie, moe" to pick out the one that they favored, he listened to the three of them and said, "I'm going to become a Jew and adopt the religion known today as Judaism."

So, he compelled his entire nation, which at the time had a population of maybe 18 or 20 million people, and extended to the heart of Europe, they all had to become members of that religious belief.* He sent to two Talmudic centers in the Holy Land, and he brought up religious leaders, whether you call them rabbis or what, it makes no difference. And he compelled the 4,000 nobles, since they had a feudal system, to adopt that faith, and it became the official faith. They built thousands of schools and so-called temples, or places of worship. That is how the people of Eastern Europe became what we know today as "Jews."

I have with me now, a circular that I received in the mail last week. The March of Dimes put it out with the assistance of the Rockefeller Foundation, and they recite the whole thing, because they have found, in recent years, that the Khazars are carriers of a disease that no other people in the world have. Here's the circular that they got out. It's called "Kaysak Disease." *(Tay-Sachs Disease)* I have known about it for years. The New York News newspaper, had a full page on it called "The Jewish Disease." They explained the whole thing, so I went into it, investigated it, and gave a little money to one or two clinics that were trying to do something about it.

The Eastern Europeans of Khazar ancestry, known as "Jews," are carriers of this Kasak Disease. When one Khazar marries another Khazar, **I** don't say so - Mt. Sinai Hospital, the Jewish Memorial Hospital, the Rockefeller Foundation - they've all done a lot of work on it. They published these figures and these statistics, that one out of four children, when one Khazar marries another Khazar, or of that ancestry, that child can't live

* *This was actually one of many kings. He was king of "Ashkenaz" - the Yiddish/Germanic word for the area of Germany and Northern France of today. It is still a popular surname.*

beyond three years, and the death that that child suffers is too miserable to describe to you. Out of the others, two of them become carriers and one is clear.

Now, I have maintained, after listening for 26 years to every meeting of the United Nations . . . I attend, I sit there and I hear these representatives of the so-called State of Israel, talk . . . I've been saying for many years, before I even knew about this, "They must be crazy! How can they say those things before the representatives of 131 other nations? How can they say that? Have they no shame?!" But I found out they are suffering from this disease. So then, to sit there and tell the world, officially, in the United Nations, that they are "God's Chosen People" and that it is the Christian's duty to repatriate them to their homeland, when they *know* who they really are! . . . [p.107]

Now those are the people that again, went on the war path, and they are now up to their old tricks and have been, because after this Russian Empire expanded, they conquered the Khazar Kingdom and incorporated the people, and the territory in the Russian Empire, and the so-called Jews in Russia - who were then the orthodox Jews we'll call them, . . .

Russia had become a Catholic country under Vladimir the 3rd in 986 A.D. . . . they couldn't get together on anything. Now, what happened? They have been at war ever since, and after the 11th century, when they were conquered, they pledged that they would never accept that conquest, and that they would keep on organizing and revolting, to again declare their independence and set up their Khazar Kingdom. That was in the 11th century!

They have been fighting the Czarist regime ever since, and I don't want to go into detail, but I can give you plenty on that subject, and no one can deny it, because I can give you chapter and verse of hundreds of books, and maps that I've taken, had Photostatted, - all over the world, in the public libraries and museums.

Now you have these people, organized, and all of a sudden, something developed. The last revolt that they started was in 1905. According to the Encyclopedia Britannica, under the word "Bolshevism" one of the five rules for their revolt was *Never start until the armies of the country are engaged otherwise.* And in 1905, when Russia was at war with Japan, in the Far East, they started their last revolt, and they were slapped down like every other one since the 11th century.

And that's where I come into the picture. No, I wasn't alive in the 11th century, though! But what I am trying to tell you, though, is that in 1905 they took this terrible licking like here.

So we had a president in Washington, Mr. Taft, and Mr. Jacob Schiff of Kuhn, Loeb & Co., the bankers in New York who are the arm in the United States, of the Rothschild international, world wide, plutocracy. So Mr. Schiff, with two young men, went down to see Mr. Taft and he said, "Mr. Taft, . . ." I am NOT telling you this out of my memory. I know this by heart because the books are here, in the Congressional Library. The people who were in the room with President Taft at that time, and President Taft, were all told by Jacob H. Schiff, "We want you to cancel the Most Favored Nation Treaty with Czarist Russia, and we want you to recall our Ambassador."

The president told them, "Mr. Schiff, things are

not what you represent them to be. My ambassador tells me differently." So Mr. Schiff told him, in so many words, "Is you is - or is you ain't - going to do it?" When the president said that he would NOT do it, Mr. Schiff said, "We will put a political party, and a president in Washington, to whom we can dictate what they should do."

And Jacob Schiff came back to New York, he was at that time head of the American Jewish Committee, and in my father's home, I was a young man then, in the presence of many prominent men, some of whom you've heard the names of, he retold the story, and I looked at the books in the Public Library, at the memoirs of men who were in the room at that time, names that are familiar to many people that are here. That is a fact. Now, what happened?

Well, they ganged up in New York to get rid of Taft. I was a protégéé of Mr. Bernard Baruch - a name that I think you are all familiar with. His father was a doctor, Dr. Simon Baruch, who had brought me into the world - and Bernard Baruch was a visitor at our home all the time, as he courted my sister - one of my sisters. So the stage was set to get rid of the Republican Party and the Republican President, and put in their own party, and their own President.

But it was very difficult because, after the Cleveland depression - President Cleveland was a Democrat - we had Free Trade - we had the worst depression ever seen anywhere. And that swept the Republican Party into power, because they advocated tariff, protective tariff, to protect the working man against the cheap labor of Europe, and to protect the infant industries, in the United States against foreign competition.

Mr. Schiff went down there and had this conversation, and came back to New York, and the stage was set. And I, as a young man, got into the act. What I am telling you now, I saw with my own eyes, heard with my own ears, but I'll make it brief. The stage was set - "How can we get rid of the Republican Party? How can we get rid of Taft?" - and Mr. Baruch was picked out as the leg man. And he was a smart man.

They set up the National Democratic Headquarters at 200 5th Ave, which was the site of the old 5th Ave Hotel, now an office building, and Mr. Henry Morgenthau, Sr., the old man, the father of the one you all know, was made chairman of the Finance Committee. I was made his confidential assistant in liaison with the Treasurer, who was Mr. Rollow Wells of St. Louis - the Andrew Mellon of his time. And I was right in the middle!

I saw everything that went on because I handled all the books that had the cash contributions in them. Mr. Jacob Schiff and the Jews - use that word as I told you, with reservations - put up the money to launch this Party, and they looked around for a man to put up as president. To make a long story short, because the details aren't very interesting, they got Woodrow Wilson - a rascal who wasn't worth the powder to blow him to hell!

They got Woodrow Wilson, the man who had more ego than any man I have ever read about, they got him to head the Democratic Party. And they got into difficulties! Because the Democrats only got the electoral votes in the South, where the people in agriculture wanted cheap goods from Europe.

But the North wanted the Republicans. They found out they could not elect a president of the United States, so I handled the money; I was the leg man, the errand boy, and I *was* only a boy then.

They trotted Theodore Roosevelt out of the political mothballs. He was then an editor of a magazine, and they told him, "You are the indispensable man. You are the only man who can save the United States." And with his ego, they formed the "Bull Moose Party" and Mr. Jacob H. Schiff, and the Jews throughout the world - they got plenty of money from England - they formed the Bull Moose Party. And in that way, they split the Republican vote between Roosevelt and Taft, and Mr. Wilson walked in with a minority of the popular vote - the lowest man, and I knew the inside of his private life, which I don't want to go into here. But never was a lower rascal in the White House - and I've known plenty of them since that time!

Now Mr. Wilson really didn't know enough to come in out of the rain! I cannot understand how he ever got there, except that in shuffling the cards, they had the goods on him. You find in politics, every time they pick a candidate and put him out in front, they have the goods on him. You know he had been sleeping with the wife of the professor who lived next door to him at Princeton, whose name was Peck. And they used to call Wilson, at Princeton, "Peck's bad boy."

When she got a divorce and moved to Washington, she married a man who had a son, and that son borrowed $40,000 from the bank without asking them. He didn't know how to pay it back and the pressure on him was getting very, very hot. So this woman heard of Samuel Untermeyer of the big firm, Googenheim, Untermeyer & Marshall, a prominent Democrat, and who supplied much money to the party. She went to him with a big package of letters <u>which I read</u> - Wilson was a great letter writer. He knew the language, there's no doubt about that, Wilson knew his

vocabulary, when it came to making love anyway. So they cooked this up and she got the idea of blackmailing him. She got Samuel Untermeyer to go to see him as a lawyer. He was a big contributor to the Party, and he knew Wilson, and he went there. To make a long story short, Wilson didn't have the money, Untermeyer provided it, and the boy paid the money back.

Now, Mr. Untermeyer told President Wilson, "I'll advance that money if you will do one favor for me. The next opening on the Supreme Court - I want to name the man." He said, "We've never had a Jew on the Supreme Court and I think there ought to be a Jew on the Supreme Court." So Wilson said, "It's a deal!" and they paid the $40,000.

When a vacancy appeared on the Supreme Court, Mr. Untermeyer recommended Mr. Brandeis. Mr. Brandeis was the number one Zionist in the United States, the head of them all, and he became friendly with Wilson. And when the war with Germany broke out, the war between England, France, Russia, and Germany and Austria, the United States had nothing to do with it. They all thought England, France and Russia would crush Germany in 60 days. Big headlines in all the papers. I was very active then in politics. "Boys Home by Christmas!" and "Boys Out of the Trenches by Christmas!" But when Christmas came, the war was getting hot!

The Germans had brought out the submarines, and the Irish gave them two bases on the coast of Ireland, and they were sinking everything that brought food and ammunition to England, which under International Law is correct. Now, when they saw that Great Britain was going to lose the war, the Jews were very much excited, because up to that time, Germany was their best

friend.

In 1822, Germany had passed the Emancipation Edict which gave everybody in Germany equal rights - no religious discrimination. Up to that time, every country in Europe had quotas - 1%, 2%, 3% to become a doctor, a dentist, a lawyer, a banker, a schoolteacher, anything. Germany passed that Emancipation Edict, and all the Jews across Europe rushed to Germany because they could get an education. They could become doctors, lawyers, dentists, druggists. So, when I was in Germany, 50% of the pupils in German schools were Jews from all over Europe. They all ran to Germany, and they worshiped the Germans.

Baline, a Jew, was the head of the Hamburg-American, North German-Lloyd Lines. Even the private bankers, the Hohenzollerns, were Jews. The head of the German General Electric Company was a Jew - the biggest companies, there was NO discrimination at all in Germany.

And the Jews had a picnic there, but they were not the Khazars. They were so-called Jews that came into Western Europe with the Roman armies that came from Judea when the Romans occupied Western Europe, and there were two houses of worship - one in Speyer and one in Lyons - little stone houses in the second century, which was 600 years BEFORE the Khazars were converted.

So the German Jews were just as much apart as the Arabs and the Khazars are today, in fact, there was a saying, I don't know if I can say it in this company, but when I lived in Germany, the Germans said about the Pollocks - they called them "the Pollocks" the Eastern European Jews, "Where a Pollock pisses, grass will never grow." They hated them! They could never allow their children to marry them.

So when Germany was winning the war, the Jews were very happy because they didn't want Russia to come out the winner with France and England, because they thought it would be tougher for the Jews in Russia. So, they were ALL pro-German. What happened?

When the Germans trotted out the submarines, England in August or September, I don't remember just which week, but General Haig in London, warned the English, "We have less than two week's food supply for the whole nation of 55,000,000 people." The food and ammunition boats were sunk so quickly they couldn't get food or ammunition.

So England was offered a Peace Treaty by Germany. They were offered a Peace Treaty twice! It was on the desk of the British War Cabinet, ready to be signed. It needed only one signature. What happened?

The Khazar Jews in New York and Washington, led by Brandeis, made this promise through Fleischman & Sockloff in London. They went to the British War Cabinet and they said, "You don't have to make peace - which is tantamount to surrender. We can show you how you can win the war, IF, when you defeat Germany and carve up the Ottoman Empire, or Turkey, you will give us Palestine." And that made that deal.

It was all written down. I don't say so. Other people don't say so. The Zionists, in the books THEY have written, tell this whole story. How they got the promise of Palestine by promising to use their influence to get the U.S. into the war. And that's how they are going to turn against the United States - the same way they turned against Germany. After everything Germany did for them since 1822. They made the deal to bring the U.S.

into the war, which meant certain defeat for Germany.

So when that offer was made, the Zionists in London went to the British War Cabinet, according to their own books, their own record in the British Museum. I circulated thousands of copies of the 12 page memorandum by the man who negotiated it. When they were bombing London in 1945, he thought he would die, and he typed this out, this true story, and gave it to the British Museum for posterity. That's available. Anyone can have a copy of it. I sent out thousands, maybe tens of thousands, of them.

Now the United States got into the World War I. How did they get in?

They didn't know how to get us in because the Germans leaned backwards. They said, "We are going to do nothing on land, on the sea, or in the air, to provoke or justify, a declaration of war by the United States, because we'll be licked! Now, when we've won the war!" - which they had. The Russian armies were in retreat. In France, the army had revolted and wouldn't fight. There was no more fight left in the allies. So what happened?

They went to Great Britain and made this offer. Great Britain accepted it. Then the question came, "How to get the U.S. into the war?" They couldn't get us in if the Germans didn't give us provocation or justification, so what did they do? A message was sent to Washington that the S.S. Sussex, a ferry from Dover to Calais, had been torpedoed in the Channel and that 38 Americans had lost their lives! I'm not going to string this out, because I've got a lot of other things to tell you.

On the basis of the torpedoing and the loss of 38 lives of our citizens, Congress declared war against Germany. Now, after the 4,000,000 men that General Pershing had been drilling, were on their way over, some of them fighting in Europe - a lot of you're here, went over and were fighting while this fighting was going on - a member of Parliament, and others who couldn't stand it any longer, they came out with the secret that the Sussex was NOT sunk and that no American lives were lost - and we were in the war!

Now that is how the Jews (*Zionists*) got us into WWI, and that started everything because Wilson was elected. We had a national debt of one billion dollars, and since then, it has gone up. I think it's now 465 billion after the wars we've been having. So that's how the Jews got us into WWI.

I knew Judge Samuel Rosen who was Mr. Roosevelt's mentor. They used to say that he didn't go to the water closet without consulting Judge Rosen. I was very friendly - here's somebody who will bear me out. . . . Now when it came to World War II, we couldn't get into the war because the Germans said, "When the Americans came into WWI, look what happened to us!"

So there was war in Europe again, Germany and European countries, and there was no way to get us into the war. And the pressure of the Jews here, in New York City and Washington, to get us into that war was terrific, but they didn't know how to do it.

So, as Mr. Tanzell wrote in his "Back Door to War" - he was then at Georgetown University, a professor of history - I saw it in the Yale Library, the papers of the Secretary of Defense at that time - we were pushed into WWII by Mr. Roosevelt through the back door! Germany would give us no

justification or provocation. But the Jews (*Zionists*) here, were putting pressure on Roosevelt, "We've got to get into that war. We can't let him do that to us!"

We had to make up our minds what to do, so the United States sent to Japan and they said, "We can't sell you any more scrap steel or oil." Now Japan was fighting a war with China, and without scrap steel or oil, which they got altogether from the U.S., they would have to withdraw from the war.

So they sent nine different Ambassadors here, trying to change Mr. Roosevelt's mind. He said, "No, we can't sell you any more at all." So, at that time Germany and Japan had a treaty - any country that declared war on either one was instantly at war with both. So Mr. Roosevelt figured, "We'll provoke a war with Japan." That's why he threatened them to cut off steel and oil. So they sent nine ambassadors here, and finally they couldn't take it much longer, so you know what happened at Pearl Harbor!

Now, Mr. Roosevelt figured, and it's in Mr. Stimson's diary, in his own handwriting - which is in the room at Yale Library containing all of Mr. Henry L. Stimson's papers. He was the Secretary of Defense, and he wrote in his diary, important things that went on, in his own handwriting - and under November 25th, two weeks BEFORE Pearl Harbor, he wrote, "The President sent for us to come to the White House. I thought it was to discuss Japan, but he told us that we HAD to be at war with Japan, but he didn't want it to look as if we fired the first shot." So we got the first shot all right, at Pearl harbor! But the only way we could be at war with Germany, was to be at war with Japan! Then, automatically, under their treaty, we were at war with Germany. That's how

we got into WWII.

We are now on our way to WWIII. The chances are it will be a nuclear war. There is that chance, and I've been fighting - some time and some money - so that the conditions would not be set for that. Now, what happened?

The chairman of the Senate Foreign Relations Committee, Mr. Fulbright, stated on a Sunday morning television program, which, according to the advertising services, has 28 million listeners, he said in answer to a question about the Middle East, he said, "You cannot do anything about the Middle East!" He said, "The Senate is controlled by the Jews. (*Zionists*) 90% of them have subverted the United States Senate, and you cannot do anything." - or words to that effect.

Now the chairman of the Foreign Relations Committee of the United States, throws in the sponge and says that 90% of the Senate is controlled by the Jews, meaning the *Zionists*! So, you may now expect the worst! The only way it can be averted, IF it can be avoided, is to alert yourself to these facts.

All these lies that you've been told - that it's your "Christian duty" to help repatriate "God's Chosen People" to their "Promised Land," is a lot of hog wash.

And we're going to be in another war unless you people, and others like you, wake up the 200,000,000 Christians in this country who have been so brainwashed that they don't know whether they are coming or going!

They are running around in circles and all you hear is "Jesus was a Jew!" I've told you now, that the word didn't exist when Dr. Johnson wrote the

dictionary, and I've done all the research on it. It never existed! And then again, there is the Father here, who will bear witness - Pontius Pilate wrote on the crucifix on which our Lord and Savior was to be crucified, "Jesus Nazarenes Rex Iudoreum" which, translated, and anybody who has had one year of Latin knows that it means, "Jesus the Nazarene, the Leader of the Judeans." "Leader of the Judeans," the genitive plural, and "Rex" comes from "Rego" - "to lead."

Now, they were trying to frame our Lord and Savior, claiming that he was influencing the people to not pay taxes so that gold couldn't be shipped to Caesar - and that constituted rebellion. That's why the trial was held, and that's why Pontius Pilate put that up on the crucifix, "Leader of the Judeans" who were revolting against Rome.

Now we all know, every one of you has heard hundreds of time, that at this trial, Jesus said, "Render unto Caesar that which is Caesar's, and unto God that which is God's." He was NOT advising the people to withhold taxes paid to Rome. So you see, you, as representatives and high representatives of the 200,000,000 Christians in the United States, have got to learn the facts.

As I was talking here to one of your erudite members, it's all right to be interested in baseball and basketball and football and golf, and cross-word puzzles, but I don't know how many hundreds of millions of hours a year are wasted by women doing crossword puzzles. Maybe it satisfies their ego to say, "Oh, Minnie, I got all but two words, yesterday!" and so they compete with one another. They spend hours, buy dictionaries, and they don't know the first thing about the correct facts of existence.

Now, we didn't ask to come into the world, neither did our children, but we owe them a debt. We owe a debt to these men who sacrificed their lives to save this country - so now, let's see what we can do!

Editorial Note: While Mr. Freedman vigorously regrets the use of the word "Jew," various translators use the term collectively to refer to the remnant of the tribe of Judah and the Israelites combined after the first diasporas in B.C. Although, as Mr. Freedman points out, it is technically incorrect, it is the common vernacular of today. Substituting "Judean" might result in confusion and a lack of understanding regarding important issues.

Samuel Untermeyer has been referred to frequently by Benjamin Freedman. Following, is the text of Mr. Untermyer's "Call-to-Action" as it was given, by him, over radio station WABC, after his return from Europe, and as it was printed the next day in ...

"The New York Times" Monday, August 7, 1933

Many scholars believe that this strategy is what ultimately led to the Jews being added to those numbers of "undesirables" already being exterminated in Germany. (over 7,000,000 others)

My Friends! What a joy and a relief and a sense of security to be once more on American soil! The nightmares of horrors through which I have passed in those two weeks in Europe, listening to the heartbreaking tales of refugee victims, beggar description.

I deeply appreciate your enthusiastic greeting on my arrival today, which I quite understand is addressed, not to me personally, but to the Holy War in the cause of humanity, in which we are embarked. Jews and non-Jews alike, for we are equally concerned that ***the work of centuries*** shall not be undone, and that civilization shall not be allowed to die.

It is a war that must be waged unremittingly until the black clouds of bigotry, race hatred and fanaticism that have descended upon what was once Germany, but is now medieval Hitlerland, have been dispersed. If we will but enlist to a man, and persist in our purpose, the bright sun of civilization will again shine upon Germany, and the world will be a safer place in which to dwell.

As our ship sailed up the bay today, past our proud Statue of Liberty, I breathed a prayer of gratitude and thanksgiving, that this fair land of freedom has escaped the curse that has descended upon benighted Germany, which has thereby been converted from a nation of culture, into a veritable hell of cruel and savage beasts.

We owe it, not only to our persecuted brethren, but to the entire world, to now strike in self-defense, a blow that will free humanity from a repetition of this incredible outrage. This time the Jews are the victims, next time it may be the Catholics, or the Protestants.

If we once admit, as is brazenly insisted by the German government, that such fiendish persecution of the people of one race or creed, is an internal domestic affair, and not a world concern, how are we to know whose turn will be next?

Now or never, must all the nations of the Earth make common cause against the monstrous claim that the slaughter, starvation and annihilation, by a country that has reverted to barbarism, of its own innocent and defenseless citizens, without rhyme, reason or excuse, is an internal affair against which the rest of the world must stand idly by and not lift a hand in defense.

I have seen and talked with many of these terror stricken refugees who have had the good fortune to escape over the border, though forced to leave their property behind them, and I want to say to you that nothing that has seeped through to you over the rigid censorship and lying propaganda that are at work to conceal and misrepresent the situation of the Jews in Germany, begins to tell a fraction of the frightful story of fiendish torture, cruelty and persecution that are being inflicted day by day, upon these men, women and children, of the terrors of worse than death in which they are living.

When the tale is told, as it will be some day if the impotent "League of Nations" ever sufficiently awakens from its Rip Van Winkle slumbers, to the realization of its power and duty to prosecute an investigation into the facts - the world will confront a picture so fearful in its barbarous cruelty, that the hell of war, and the alleged "Belgian Atrocities" will pale into insignificance as compared to this devilishly, deliberately, cold-bloodedly planned, and already *partially executed* campaign for the extermination of a proud, gentle, loyal, law abiding people - a people who love and have shed their blood for their Fatherland, and to whom Germany owes in large part its prosperity, and its great scientist, educators, lawyers, physicians, poets, musicians, diplomats and philosophers, who are the backbone of its past cultural life.

But why dwell longer upon this revolting picture of the ravages wrought by these ingrates and *beasts of prey*, animated by the

loathsome motives of race hatred, bigotry and *envy*. For ***the Jews are the aristocrats of the world***. From time immemorial, they have been persecuted and have seen their persecutors come and go. They alone have survived, and so will history repeat itself, but that furnishes no reason why we should permit this reversion of a once great nation to the Dark Ages, or fail to rescue these **600,000*** human souls from the tortures of hell, as we can, with the aid of our Christian friends, if we have the will to act.

Protests and pleas from all corners of the Earth, from the leaders of all creeds, having proven as vain and unavailing as was the idealistic dream of *our martyred president, of making the world safe for democracy and of protecting minorities*, what then are to be the lines of *our defensive campaign* against these atrocities, on which we have already actively embarked? Are we right in ***our Plan?*** If so, what steps shall now be prosecuted to attain success?

Our campaign is twofold - defensive and constructive. On the defensive side, will be the economic boycott against all German goods, shipping and services. On the constructive side, will be an appeal to the League of Nations to construe and enforce *the labor union provisions of the Versailles Treaty*, and the written promises made by Germany while the treaty was under negotiation, to protect its minorities, which have been flagrantly violated by its disenfranchisement, and persecution, of the German Jews.

As in the boycott, strange to say, a mere handful in number, but *powerful in influence*, of our thoughtless, but doubtless well intentioned Jews, seem obsessed, and frightened, at the bare mention of the word "boycott." It signifies and conjures up to them, images of force and illegality, such as have on occasions in the past, characterized struggles between labor unions and their employers. As these timid souls are capitalists and employers, the word and all that it implies, are hateful to their ears.

In point of fact, it signifies nothing of the kind. These gentlemen do not know what they are talking or thinking about. Instead of surrendering to *their vague fears, and half-baked ideas*, our first duty is to educated them as to what is meant by a purely defensive economic boycott, and what we are doing and proposing.

* *This same number was quoted by Chaim Weitzman in 1923 for the Jews who fought for the Czar in Russia*

Admittedly, the boycott is our only really effective weapon. These gentlemen who are taking counsel of their groundless fears to the exclusion of their reason, have done nothing, and have no program, except to attempt to arouse world opinion, which is, and has been, from the outset, on our side, as it was bound to be because of this brutal, senseless, unprovoked assault upon civilization. *(These were fellow Jews, businessmen, who were openly protesting the "Plan" of the Zionists and disputing the cause of action)*

It is not necessary to belittle or underrate that accomplishment, if their aimless, fruitless endeavors in that direction may be so dignified in recognition of their good intentions, barren of results as they have been.

It is sufficient that their efforts have proven unavailing, and that the campaign of Schreckligheit not only goes on unabated in the face of unanimous world opinion, but that it is increasing in intensity, and that the masses of the German people, misled by government propaganda and suppression of free speech and of the Press, are either voluntarily, or through fear of punishment at the hands of their *despotic rulers*, supporting their government in this hellish campaign.

What then have these amiable gentlemen accomplished, and what do they hope or expect to accomplish in the way of stemming this conflagration of civilization by their "feather duster" methods? You cannot put out a fire, and especially that kind of a fire, by just looking on until the mad flames, fanned by the wind of hate, have destroyed everything.

What we are proposing, and have already gone far toward doing, is to prosecute a purely defensive economic boycott that will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends.

They have flaunted, and persisted in flaunting, and defying world opinion. We propose to, and *are organizing world opinion*, to express itself in the only way Germany can be made to understand. Hitler and his *mob* will not permit their people to know how they

are regarded by the outside world. We shall force them to learn in the only way open to us.

Revolting as it is, it would be an interesting study in psychology, to analyze the motives, other than fear and cowardice, that have prompted ***Jewish bankers to lend money to Germany as they are now doing.*** It is in part, their money that is being used by the Hitler regime in its reckless, wicked campaign of propaganda to make the world anti-Semitic. With that money, they have invaded Great Britain, the United States and other countries where they have established newspapers, subsidized agents, and otherwise are spending untold millions in spreading their infamous creed. *(Mr. Untermeyer had obviously not been let in on the whole "Plan".)*

The suggestion that they use that money toward paying the honest debts they have repudiated, is answered only by contemptuous sneers and silence. Meantime, the infamous campaign goes on unabated with ever increasing intensity to the everlasting disgrace of ***the Jewish bankers who are helping to finance it***, and of the weaklings who are doing nothing effective to check it.

The Hitler regime originators are fiendishly prosecuting their boycott to exterminate the Jews, by placarding Jewish shops, warning Germans against dealing with them by imprisoning Jewish shopkeepers, and parading them through the streets by the *hundreds* under the guard of Nazi troops, for the sole crime of being Jews - by ejecting them from the learned professions in which many of them had attained eminence, by excluding their children from the schools, their men from the labor unions, closing against them every avenue of livelihood, locking them in vile concentration camps, starving and torturing them, murdering and beating them without cause, and resorting to every other conceivable form of torture, inhuman beyond conception, until suicide has become their only means of escape, and all solely because *they are, or their* ***remote ancestors*** *were, Jews,* * and all with the avowed object of exterminating them.

As against this, the foulest boycott in the annals of time, we are appealing to all mankind to enforce *a counter boycott.* That appeal is meeting with the conviction that idealism and justice are still alive.

* *See Freedman's speech on p. 88 regarding the history of "Ashkenazi" Jews - the dominant sect in Germany; a popular Jewish surname*

There is nothing new in the use of the economic boycott as an instrument of justice. The covenant of the League of Nations expressly provides, in these identical words, for its use to bring recalcitrant nations to terms.

President Roosevelt, whose wise statesmanship and vision are the wonder the civilized world, is invoking it in furtherance of his noble conception for the readjustment of the relations between capital and labor under the terms of the sweeping "Industrial Recovery Act" to the end that labor shall receive a more just share of the wealth it creates.

He is about to enlist the consumers of the country in a national campaign in which they pledge themselves to boycott all manufacturers, jobbers and retailers who fail to subscribe to the codes, and to buy only from those who have assented, and who are thereby privileged to fly ***the Blue Eagle of the National Recovery Act.*** (NRA) What more exalted precedent do our timid friends want?

With this explanation of our aims, I appeal to the "American Jewish Committee" whose public spirit and good intentions I do not for a moment question, but the wisdom of whose judgment I challenge - to no longer hold aloof, but to rid themselves of their timid and ill-considered prejudices, and join in actively pressing this boycott as our only weapon, except the appeal to the League, which I shall discuss at later time.

I purposely refrain from including the "American Jewish Congress" in this appeal, because I am satisfied that 95% of their members are already with us, and that *they are being misrepresented by two or three men now abroad.*

Of them I ask that, prior to the meeting to be held this month in Prague by their executive committee, they instruct these false leaders, in no uncertain terms, as to the stand they MUST take on this all important subject, and demand that they shall either openly represent their views, or resign their offices.

One of them, generally recognized as the "kingpin of mischief makers," is junketing around the Continent engaged in his favorite

pastime of spreading discord - asserting at one time and place that he favors and supports the boycott, and at another, that he is opposed or indifferent to it - all dependent on the audience he is addressing, but always directly or indirectly delivering a stab in the dark.

There is not time now, but I hope and expect in the near future to be able to report to you the steps that have been taken, and that are already under way, and the surprising and gratifying progress already made in many countries toward the success of the economic boycott in which we are engaged. Although considerable progress in that direction has already been made in Great Britain and in the United States, you will be surprised to learn that they are the least advanced, and as yet the most inadequately organized, of all the countries that were represented at the "Amsterdam World Economic Conference," where the boycott was unanimously, and enthusiastically approved by formal resolution by a *rising vote.*

With us in America, the delay has been due in part to lack of funds and the vast territory to be covered, but it is hoped, and expected, that this condition will soon be corrected. The object lesson we are determined to teach is so priceless to all humanity that we dare not fail.

Each of you, Jew and Gentile alike, who has not already enlisted in this Sacred War, should do so here and now. It is not sufficient that you buy no goods made in Germany. You must refuse to deal with any merchant or shopkeeper who sells any German made goods, or who patronizes German ships or shipping.

To our shame be it said that there are a few Jews among us, but fortunately only a few, so wanting in dignity and self respect, that they are willing to travel on German ships where they are despised, and meet with the just contempt of the servants who wait upon them, and of their fellow passengers. Their names should be heralded far and wide. They are traitors to their race.

In conclusion, permit me again to thank you for this heartening reception, and to assure you that, with your support and that of our millions of non-Jewish friends, we will drive the last nail in the

coffin of bigotry and fanaticism that has dared raise its ugly head to slander, belie, and disgrace twentieth century civilization.

[End of New York Times article]

Mr. Samuel Untermeyer was one of the attorneys who drew up the Federal Reserve Bank law. He was also a prominent Zionist advocate and president of the **Keren Hayesod** - the agency through which the movement was then, and still is, conducted in America.

Please remember
the people you have been reading about
are NOT your Jewish neighbors.
*They are **Zionist extremists**.*

The ordinary Jewish citizen in America does NOT know how the Zionist extremists have been using them to perpetrate their own agenda.

We the People

need to bring those things which are being done in darkness into the light and expose them.

America is the melting pot of the world.
We are a blessed nation.
Don't let the terrorists of any group destroy us.

We must all have the courage to stand up and speak out.

God Bless the U.S.A!
